NEW LOCATION AT MURIETA

Areana 3 & 4 (Small Indoor Arena & Stable Mix Arena)

These are the same arenas used at most of the other agility trials held at MEC.

Why the move??

For the safety of your dogs and to provide you and your dog with the best footing possible. Last year, MEC installed reining horse sand in the Main Areana. This surface did not compact well no matter how much water and grooming we had MEC do, was very slippery, and was very difficult for our dog and handlers. The surface was to be the same this year, so TRACS opted to move.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

▪ Nov P Small Dog (4p, 8p, 12p)	Nov P Large Dog (16p, 20p)
- **HOW DO I WIN?**
 - Scores are determined by calculating how far under standard you are on your qualifying runs in Standard, JWW, and Time to Beat on Saturday and Sunday.
 - Best possible score is if your qualifying run is clean and under time: you get points equal to 100% of the difference between your time and the standard course time (SCT). Example: SCT is 60; your time is 50. Difference is 10 points, you get 100% of that difference for a score of 10.

 - If a run is clean but over time, you will get a “zero” for that run
