## Check-in Schedule (check in only on your first day)

**Check in/measure in: 7:15 - 7:45AM**

**Briefing, first walk through: 7:45AM**

**FRI-SAT First Dog starts: 8:00AM**

**SUN Steeplechase starts: 7:30AM**

You must measure in if you have a blue card that isn't fully signed-out AND that isn't jumping the max height in their program (26-championship or 22-performance).

Thank you for entering our USDAA Agility trial to be held at the Yolo County Fairgrounds on Sept. 13-15, 2013. Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday, Sept. 11, 2013. If you have anything to change, mail Karey Krauter at [kkrauter@bumpsays.com](mailto:kkrauter@bumpsays.com) or call 650-906-5146.

On Saturday, we will be sharing the fairgrounds with the Chili Cook-off group so please exercise dogs only in our area, but feel free to head over there for some delectable (human) treats!

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

**FOOD:** We're bringing in a new food caterer who is excited to bring us memorable breakfast lunch and dinner! We'll be sending out their menu separately, and seeing how many people want to sign up for dinner Saturday night.

Each ring's Crew Chief will provide workers with a lunch ticket. If you are scheduled to work after lunch, be sure to track down your Crew Chief in the morning and ask for your ticket! If you step into help out for a full class, get your lunch ticket from the Crew Chief.

**WORKERS:** Speaking of working, schedules will be posted by each ring each morning and will be available at the check in table. If you volunteered, you can check to see what job you have been assigned. If you volunteered but we were unable to schedule you because of multiple dogs and classes, thank you anyways! Feel free to step in and help out if you see the chance! Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it!

**SCORING, QUESTIONS, POSTING** - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.

You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked inside may NOT MOVE THEIR VEHICLE while the trial is running (approximately between the hours of 7:30 a.m. and 4:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the main parking lot outside the fairgrounds front gate..

When you arrive, check in with Susan Cochran for the permit you are required to display on your dashboard. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.
