

# TRACS Sep 18-20 2015 USDAA, Woodland CA

## Check-in Schedule (check in only on your first day)

<b>Check in/measure-in:</b>	<b>7:15 - 7:45AM</b>
<b>First walk through:</b>	<b>7:45AM</b>
<b>First dog on the line:</b>	<b>8:00AM</b>

You must measure in if you have a blue card that isn't fully signed-out AND that isn't jumping the max height in their program (26-championship or 22-performance).

Thank you for entering our fall USDAA Agility trial! Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday before the trial weekend. If you have anything to change, mail Karey Krauter at kek@bumpsays.com or call 650-906-5146.

On Saturday, we will be sharing the fairgrounds with the Chili Cook-off group so please exercise dogs only in our area, but feel free to head over there for some delectable (human) treats!

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

**FOOD:** We will be laying out a lunch buffet for workers only. No other food will be available for purchase on-site, so set a bar and join us!

Each ring's Crew Chief will provide workers with a lunch ticket. If you are scheduled to work after lunch, be sure to track down your Crew Chief in the morning and ask for your ticket! If you step into help out for a full class, get your lunch ticket from the Crew Chief.

**WORKERS:** Speaking of working, a worker schedule skeleton will be put together in advance assigning our sainted fulltimers. Whiteboards will be ringside at each ring where everyone else can sign up on day-of, for which we will be deeply in your debt. Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it! And did we mention free lunch?

**SCORING, QUESTIONS, POSTING** - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.
