

Thank you for entering our USDA Agility trial at the Yolo County Fairgrounds on Sept 14-16, 2018. Move ups will be accepted until 6PM on Monday, Sept 10, 2018. If you have anything to change, email Holly Newman at [holly@agilepooch.com](mailto:holly@agilepooch.com) or call/text 707-696-7623.

There are 300-400 runs each day with 110 dogs entered, so we should end at a reasonable time on all three days.

**CLEAN UP/MIND YOUR DOGS!** We must clean-up and BAG all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

**WORKERS:** We are totally indebted to those who step up to help out! There will be whiteboards ringside on which you can sign up whenever you are available to help keep the trial moving. Every class you work will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it!

**FOOD:** Just in case the raffle isn't enough incentive, lunch will be provided for workers each day. No other food is available for purchase on-site. NOTE: there will be no morning coffee/treats.

**SCORING, QUESTIONS, POSTING** - Scores will be displayed on monitors in each ring and posted in the Results binders after each class is completed. Please check your results as soon as possible so we can resolve any questions you may have before the judge forgets your run.

**MOVE-UPS** - If you earn a title on Friday or Saturday and want to move up for the next day, please sign up on the move-up sheet before the end of the day.

**RUNNING ORDERS, RESULTS:** Both will be posted at [www.agiltracs.org](http://www.agiltracs.org). The former by Tues 9/11 and the latter by Wed 9/19.

**SITE SECURITY** - Be aware that the fairground gates will NOT be locked at any time, and the competitor assumes all risk of leaving items overnight. TRACS will not be responsible for any loss or damage to items at the show site. Things have been stolen at this site in the past. We recommend you secure or remove valuable items in your crating area overnight.
