IMPORTANT COMPETITOR NOTES

MURIETA EQUESTRIAN CENTER IS FIRST AND FOREMOST AN EQUINE FACILITY. THIS MEANS THE HORSES ARE THE MOST IMPORTANT ANIMALS THERE. DOGS MAY NOT BE OFF LEASH ANYWHERE ON THE GROUNDS EXCEPT IN THE MAIN ARENA.

ANY DOGS FOUND TO BE OFF LEASH AND CHASING, SCARING, OR OTHERWISE HARRASSING THE HORSES RISK EXPULSION FROM THE EVENT AND THEIR HANDLERS RISK A BENCH COMMITTEE HEARING FOR POTENTIALLY CAUSING ALL AGILITY CLUBS TO LOSE ACCESS TO THIS SITE.

DO NOT, under any circumstances, allow or encourage your dog to relieve itself anywhere under, in or on the arena floor, structure, or anything man-made anywhere on the site.

Additionally, be sure to pick up after your dogs regardless of where or when they leave a mess. At recent shows, we have all picked up many, many piles of dog droppings. We don't KNOW that they are from agility competitors, but we will be blamed, regardless of who leaves them.

Join US!!

TRACS is a small, but active club. We host AKC and USDAA agility trials as well as AKC Tracking tests throughout the year.

If you are interested in joining us, there are membership applications available at all TRACS events or you can download an application at our website:

<http://agiltracs.org/about-us/joining-tracs/>

TRACS ANNUAL MEETING

TRACS will be having our annual meeting and induction of new officers on Saturday evening, 30 mins after the end of judging (approximately 6:00 pm). TRACS will be providing pizza for dinner! Location will be announced during the day on Friday.

DIRECTIONS TO THE SITE:

From Sacramento/Bay Area and other points west/south: Take Hwy 50 east towards Lake Tahoe. Exit at Sunrise Blvd. Turn right off the exit ramp and proceed for 7.4 miles to Jackson Road (Rt 16). Turn left on Jackson Road and proceed 7.1 miles to Lone Pine Rd. Turn right on Lone Pine. Murieta Equine Complex is immediately on your right.

From Reno: Take Hwy 80 towards Sacramento. Exit at Sierra College Blvd. Turn south. Sierra College Blvd becomes Hazel Ave. Follow Hazel Ave to Hwy 50 west. Follow Hwy 50 to Sunrise Blvd exit. Turn left off exit ramp and follow directions above.

SET UP NOTES:

- TRIAL SET UP STARTS AT 1:00 PM ON WEDNESDAY, DECEMBER 27, 2017.

- SET UP VOLUNTEERS MAY LAY THEIR MATS DOWN AFTER 12:30 PM.

- VENDORS MAY SET UP AFTER 1:00 PM

GENERAL EXHIBITOR SETUP STARTS AT 3:00 PM

Anyone setting up prior to that time will be asked to stop, move or be moved until we get the show set up or 3:00 pm, whichever is later.

SET UP:

GENERAL EXHIBITOR set up starts at 3 pm.

However, if you are willing to help us set up the trial, TRACS will be setting up the trial starting at approximately 1:00 pm and would love to have your help! Please contact Terry LeClair (tclair101@gmail.com) to volunteer to help. Those helping to set up may arrive around 12:30 pm and toss down your mat (see notes on crating below), then start helping with the set up. Once we get the trial all set up, trailers unloaded, equipment assembled, and courses built, THEN you can complete your set up. IF you are helping with set up, you may take space for yourself ONLY prior to 1:00 pm general set up time. You can reserve space for ONE friend after 2 pm.

DAY PARKING: Due to limited space, and as a thank you to our hard working TRACS keyworkers, parking to the north of the arena IF ANY is available (the area nearest to the snack bar) will be reserved for TRACS Trial Committee and Keyworkers. Please respect these reserved areas. They will be marked off early on Wed morning. There is NO exhibitor parking in between the Main Arena and the Snack Shack, or anywhere on the Snack Shack side of the arena.

Competitors may park anywhere else that is not a fire lane or otherwise indicated by "no parking" signs. DO NOT move any barriers that have been set by Murieta.

CRATING:

PLATFORM AREA IS RESERVED CRATING SPACE:

- The raised platform area at the west end of the arena (near the office) is reserved TRACS members and their friends who are setting up together (these friends MUST be willing to work for the club in order to set up on the platform), and for assigned vendor set ups.
- Vendors spaces will be identified during trial set up and some of these will be on the Platform.
- Members who are helping with trial set up have first shot at this space.
- Members may reserve space for one friend PROVIDED those friends are prepared to support our club by working throughout the weekend.

- TRACS Members: if you will not be at the trial on Friday, please let Terry or Roger know if you would like to have a crating space on the platform. Once those members setting up have laid out their mats, we can mark a space off for you.
- At the discretion of the Trial Chair, once all TRACS members have had an opportunity to get set up on the platform area, any remaining space on the platform will be opened for general crating.

Please check out the attached site map to get an idea of where you will be able to crate this year. Crating is always tight at Murieta especially in the event of inclement weather. Please only stake out as much space as needed for your crates and ex-pens, and only in the marked off areas. There will be no crating in between rings or along the wall on the entrance side of the wall near the rings. You are permitted to set up either in the designated areas of the arena floor. **CRATING IS NO LONGER PERMITTED ON THE SECOND FLOOR OVERLOOKING THE ARENA.** We want you to have fun and be sociable, but we also want there to be sufficient crating space for everyone entered, especially those coming on the later days of the event. If you are setting up ex-pens, which is fine, please be prepared to be extra friendly with others, especially on the ground floor platform area. This issue will become especially important if we have inclement weather which may reduce the amount of crating space. The Trial Committee reserves the right to require people to reduce their crating area to the minimum needed for crates and ex-pens if conditions warrant.

UNATTENDED DOGS: In accordance with AKC rules, all dogs must be on leash and attached to a human being. Please do not tie your dog to the fences, leave them in chairs, or in an unattended down stay next to the ring while walking your course. If you are early in the running order, you may bring a crate to the warm up area to stage your dog so you can be ready immediately following the walk though. However, you will have to remove it after your run to keep congestion down near the front of the rings.

ATTENTION RV OWNERS STAYING ON SITE:

ALL DOGS MUST BE CONFINED IN AN EXERCISE PEN / YARD OR CRATES IF LEFT OUTSIDE THE RVs, WHETHER THE OWNERS ARE THERE OR NOT. NO DOGS MAY BE TETHERED OR TIED OUT. THERE IS TOO GREAT A RISK OF SPOOKING A HORSE COMING BY IF THE DOGS BOLTS TOWARDS THE ROAD, EVEN IF THEY CANNOT REACH THE ROAD

RV PARKING: TRACS has no involvement with RV parking/camping reservations. Contact Murieta Equine Center at (916)985-7334. Except by prior arrangement, there is NO overnight RV parking north of the main arena.

USE OF GENERATORS: Unless necessary for the conduct of the trial, there may not be any generators running near the main arena except between the hours of 6:00 - 7:00 am and 60 minutes after the last dog runs. Additionally, the trial committee reserves the right to require ANY generator be shut down if exhaust fumes are causing problems.

FOOD: There will be an on-site concessionaire selling breakfast and lunch items. TRACS provides complimentary coffee, muffins, and fruit to competitors in the hospitality area until 10:00 am. Also for breakfast, and for lunch, there is a new food vendor at Murieta. The Murieta Café is now in operation where the Kathleen's Snack Shack used to be. See the Café Menus at the end of this document to see what tempting delicacies

FIRST AID: There will be both human and canine first aid kits available on the First Aid table tentatively located on the platform, near the office. Additionally, Terry is bringing his AED in case of emergency. This will also be on the First Aid table.

WORKERS: We are not doing advanced worker scheduling. There will be white boards to sign up to work the various classes. So, if you see a gap, please sign up to help. Every class you work in will earn you raffle tickets for our awesome Workers Raffle as well as a \$2 voucher for each class / division worked (not to mention the undying gratitude of our hard working Ring Crew Chiefs). If your Ring Crew Chief doesn't give you raffle tickets or \$2 vouchers, don't be shy—ask for them!

VOUCHER EXCHANGE: Your worker voucher can be used at the Murieta Café (the Snack bar) or with any vendor on site (during the trial only). Any vouchers you have not used by the end of the trial **must** be exchanged for a TRACS certificate. Just bring them to the Scoring Office and we will take care of you! These certificates will be good for future TRACS entries (either AKC or USDAA).

Remember: The \$2 tickets will have NO value after the event.

SCORING, QUESTIONS, POSTING: Scores will be posted in binders outside the scoring office and near awards as soon as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before

the judge forgets what your run was like! If you have a question, come into the office and ask. While it's true the score room is busy, we are never too busy to help you.

If you have any questions about anything other than scoring, or have any feedback about ways we can improve our trial don't be shy about saying something (although I've never really known agility people to be shy about expressing their opinions). Track down our Trial Chair, Terry LeClair; our Trial Co-Chair, Roger Ly; our Trial Secretary, Kathie Leggett; or talk to anyone wearing a red or black TRACS shirt/jacket.

AWARDS: We will have your awards ready as soon as we can, but please be patient. AKC requires judges to review all scribesheets prior to awards being available to competitors. In addition to ribbons for class placements and qualifying flats, there are special rosettes for Double Qualifying rounds; for new titles; and for any MACH. **IF YOU MIGHT EARN A GRAND CHAMPIONSHIP, MACH, OR PACH AT THIS TRIAL, PLEASE LET OUR TRIAL SECRETARY KNOW AS SOON AS POSSIBLE!!**

CHECK IN: There will NOT be armband number stickers at this event. Remember that if your dog needs to be measured, you MUST have them measured before you run your first run of the weekend. Most course maps will be available on the check in table outside the scoring office for pick up. Open and Novice FAST maps will be available on the shelf just inside the door of the scoring office. If you are entered in those classes, come in and ask for them.

MEASURING: The only dogs that require measuring are those without height cards or dogs over two years of age who only have one measurement. If you have a permanent height card or two measurements on a dog more than two years old or have a temporary height card for dogs less than two years old, you no longer need to submit or show height cards.

OFFICIAL HEIGHT CARD MEASUREMENTS: We will have Volunteer Measuring Officials for the weekend. Our two measuring officials will be Terry LeClair, Kathie Leggett, and Cindy Macklin. Official measuring will be done at the beginning of the trial and approximately at the top of each hour during the trial. If you need a height measurement (and remember that dogs over two years of age without permanent height cards at this time need at least two measurements), fill out your paperwork (available at the trial), and let the office know you are looking for a measuring official.

RESTRICTIONS ON VENDING/SELLING STUFF: In order to sell anything, anywhere on the trial grounds, you must pay Murieta a per day vendor fee plus carry a \$1,000,000 insurance policy (and have proof insurance with you on the grounds). Anyone selling anything must set up in area designated by or coordinated with the Vendor Chair, Terry LeClair. You can reach him at tleclair101@gmail.com. This includes selling stuff from you crating area. Please do not jeopardize our good relations with Murieta by not following these requirements. This is not a TRACS requirement, but one set by Murieta Equine Center.

TRIAL SCHEDULE - Please see details on the following pages!

CONFLICTS: Conflicts will be handled as needed. If you even THINK you might have a conflict, notify your GATE STEWARD before your class begins or as soon as you know you have a problem. We will do everything we can do make sure you get your run, including resetting jump heights once after all dogs have run, so long as you have told us you have a problem. However, we will not hold a ring open once all dogs present at ringside have run; there are other classes to get going.

Recent AKC directives have established that only the Judge can approve any changes to the published running order. The Judge will brief the Gate Stewards on the process they want them to use to handle conflicts. If you have a conflict, identify it to the Gate Steward and he/she will handle it in accordance with the Judge's guidance. If the Gate Steward has not received specific guidance from the judge or is unsure of how to handle your particular situation, the judge must be consulted and give approval for any change.

Handlers with multiple dogs will be separated by as much as possible while remaining in their class (in most cases, Masters dogs will not be moved to the end of the Excellent dogs), given the number of dogs in their jump height.

MOVE UPS: Pre-trial move ups will be accepted until 12 noon Mon, Dec 25, 2017. Day-to-day move ups will also be taken provided you have completed a move up form (you will find them near the results binders) and given it to the Scoring Office. It's really helpful to the scoring team if you do this as soon as the official results show you are eligible to move up. But it MUST be no later than 15 minutes after the end of the final class of the day.

LIVE TO RUN AGAIN LIBRARY: Will be at this trial. Feel free to borrow a book on tape (audio CD's or cassettes) or contribute to the library. If you are donating a new audiobook, please give it to Penny Larson so she can process it before adding it to the library. You don't have to put one in to take one out-just return it when you are done at the next trial and borrow another. Open to everyone.
