NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. **It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.**

IMPORTANT NOTE TO EXHIBITORS

- If you provide an email address on your entry form, all future communications will be via email, including final confirmation information and judging schedule. Please make sure the Trial Secretary's email address: (kathie@touchngoagility.com) is allowed by your spam blocker. We will not resend or do any extra work to get your ISP to allow us to send messages to your email address.
- **Move ups** will be accepted until **6 pm - Monday, May 20, 2013**. Day to day move ups will be accepted providing a move up form is completed and turned into the Trial Secretary on site within 15 minutes of the last run of each day.

The AKC World Team needs your support

Each year the AKC selects and sends a team of 12 dogs to represent the United States of America in an International Competition in Europe. This year, the team is travelling to compete in the European Open Championships. The AKC provides funding for the team to practice and to travel to Europe. The skyrocketing cost of travel and the weak dollar have increased these expenses dramatically.

You can help the AKC / USA World Agility Team by choosing to donate \$1 (or more if you choose to) in addition to the normal entry fee for this show. This donation will be collected and sent directly to the Team Leader (Carrie DeYoung, AKC Agility Director) and will be credited to the AKC / USA World Agility Team Account

The dog must be entered ONLY in Preferred or Regular classes, with no crossover between them being allowed at the same set of trials. So, if you want to enter your dog in Preferred classes on the first day, you must also enter Preferred on all other days.

- Novice Preferred – All dogs entering the Preferred Classes for the first time must enter the Novice level regardless of the previous titles. Novice Preferred is NOT split into A and B divisions.
Open Preferred - For dogs that have acquired the Novice Preferred or Open Preferred titles, but have not earned a qualifying score in the Excellent Preferred class.

ENTRY REQUIREMENTS: INTERNATIONAL SWEEPSTAKES CLASSES:

Purpose: The International Sweepstakes Class (ISC) is a non regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: This class is open ONLY to dogs that are eligible to compete in BOTH the Excellent / Master Standard Class AND the Excellent / Master Jumpers with Weaves Class. There is no Preferred Option for ISC.

- Jump Heights: The ISC shall be split into three (3) separate categories:
Mini – for dogs measuring 13 ¾" and/or less at the withers; jump 14"
Midi – for dogs measuring over 13 ¾" but 16 7/8" or less; jump 18"
Maxi – for dogs measuring over 16 7/8"; jump 26"

ENTRY REQUIREMENTS: TIME TO BEAT:

Purpose: This optional agility titling class is meant to challenge the handler/dog to set a clean efficient line with an emphasis on speed and accuracy. The dog that sets the quickest time in each jump height will set the time to beat, for that jump height. There will be a single class level and all dogs with any skill level (e.g. Novice, Open, Excellent, Master) will compete on the same course.

HEIGHT DIVISION CHART

Exhibitors may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. Owners are responsible for entering the proper height divisions. If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

Regular	Preferred	Information
Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than the AKC Mandated height	All dogs entering the Preferred Classes for the first time MUST enter at the NOVICE level in both Pref. Std and Pref. JWW. The following jump heights shall be used in all Preferred classes.	Owners are responsible for entering their dog in the proper height division. For dogs measuring...
8"	4"	11" & under at the withers
12"	8"	14" & under at the withers
16"	12"	18" & under at the withers
20"	16"	22" & under at the withers
24"	20"	Over 22" at the withers
26"		At owner's discretion

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; however they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

FOOD:

TRACS will be serving complimentary continental style breakfast each morning **until 10:00 AM**. This will include coffee, tea, hot chocolate, muffins and fruit. Refreshments will be available to all workers throughout the day.

Lunch will be available for purchase on site. Workers will receive lunch tickets which can be used for the food vendor.

HELP WANTED:

To all competitors: We would love your help at our trial. Workers will receive raffle tickets for our workers' appreciation raffle held each afternoon (some nice prizes!) and lunch tickets which are good for the food vendor. Care will be taken to allow you plenty of time for your own dogs, and to instruct you in your job assignments.

We will be using Full Time Workers for the key positions, but there will be plenty of opportunity for you to work if you choose. Just sign up on the White Boards you will find at each ring. Then, If you find that you cannot make your assignment for whatever reason, just erase your name and notify the appropriate Ring Crew Chief.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
