TRAFFIC ADVISORY FOR THOSE USING HWY 50

There is a major road construction project ongoing in downtown Sacramento on the portion of Hwy 50 between W and X streets. Although they SAY the current phase (Eastbound Highway 50, Phase 2) should be completed by May 21 and the next stage (Westbound Highway 50, Phase 1) is not to start until May 27, be sure to check this link to see if it will impact your travel to the trial:

www.fix50.com

This will provide details of the construction and available alternate routes.

NOTE:

***THE SITE WILL BE AVAILABLE FOR VENDOR AND COMPETITOR SET UP AFTER
3:00 pm ON THURSDAY, MAY 22, 2014***

Anyone setting up prior to that time will be asked to stop, move or be moved until we get the show set up or 3 pm, whichever is later.

SET UP CREW: If you wish to help with set up, please contact Susan Cochran at greatdogsagility@gmail.com by Wednesday, May 21st or by cell phone at (916)996-4078 to be added to the Set Up Crew list and entry list. We will be starting to set the rings at 1:00 pm on Thursday, May 22nd. Equipment trailers will arrive at 2:00 pm. ONLY SET UP CREW and Key Personnel will be allowed to set up ringside before 3pm on Thursday.

CANOPY SETUP: The rings will be outside on grass with limited shade, so remember to bring your own shade. We are using three rings on the South Lawn. Ringside competitor set up begins at 3:00 p.m. Please ensure all set ups are at least 15' back off the ring ropes. Note: If you set your canopy up in a "designated walk-through area" or other reserved space, you will be asked to move. In addition, there will be some areas normally used for crating that may have other functions (catering, awards, etc) planned to be there. See attached map of the site.

UNATTENDED DOGS: In accordance with AKC rules, all dogs must be on leash and attached to a human being. Please do not: tie your dog to the canopies, leave them unattended in/on chairs, or in an unattended down stay next to the ring; while walking your course. If you are early in the running order, you may bring a crate to the warm up area to stage your dog so you can be ready immediately following the walk though. However, you will have to remove it after your run to keep congestion down near the rings. Also, remember that, in most cases, there will be a five minute break from the end of each walk through to the first dog on the line. The only exception is when we have a walk, walk, run scenario. In that case, there may be only a two minute delay.

PARKING AT THE TRIAL: With the exception of vehicles with permits issued by the Trial Chair, and RVs with their associated tow vehicles, there will be NO TRACS-only competitor parking north of the center aisle. For safety reasons, only authorized and permitted vehicles will be allowed to move on the grounds during show hours. All vehicles other than RV tow/towed vehicles north of the center aisle must be moved to the parking areas and may not return until all TRACS rings are done for the day. You will be able to drive in to unload, but then you will have to move your vehicle to the parking lots no later than 7:30 am each day. There are two lots: the one you drive through when you turn off First Street into the Fairgrounds, and then one across First Street from the Main entrance. Neither lot is very far away.

RV PARKING: Overnight parking is only permitted by **advanced** reservations and every overnighter will be given an **assigned** parking spot. You should have received a TRACS Overnighter/RV Information email. If not, please contact Barb Avila at bavila@me.com

RV parking will begin at 2:00 pm, however, even these individuals may not set up ringside before 3:00 pm unless on the SET UP CREW!

Please note: **TRACS has rented only a portion of the Fairgrounds. There is another event occurring at the same time.** Please respect the boundary, parking and RV/Camping signs.

CLEAN UP AFTER YOUR DOG: Please clean up after your dog. Let's show them that "Dog People" are clean people. **DO NOT LEAVE ANIMALS UNATTENDED IN VEHICLE!** The club will not be responsible for damage to vehicles resulting from the rescue of overheated animals!

EXITING THE FAIRGROUNDS: On Friday, Saturday and Sunday, the Australian Shepherd Club is renting the north end of the Fairgrounds. So, if you are departing on those days, you will have to exit through the same gate you entered; or you will be disturbing their show. If this changes, look for the signs for "RV Exit" or ask our Camp Host.

FOOD: TRACS will be providing complimentary coffee, tea, and fruit to competitors until 10:00 am. "On the Scene Cuisine" will be serving hot breakfast items. Please stop by and see what the daily specials are which Chef Kat has prepared for us.

If you were clever enough to volunteer and are assigned to work, you will receive a lunch sticker you can use at the concession. Your Ring Crew Chief will provide you with your lunch sticker which you can exchange at the concession. If you are scheduled to work after lunch, be sure to track down your Ring Crew Chief in the morning and ask for your sticker!

WATER: TRACS has gone GREEN! Workers, please bring your own (BYO) sports bottle, drinking glass, coffee cup, travel mug or other drinking container. Purified drinking water will be provided for workers at each ring and near the score table. The water will be in Igloo containers and in a water cooler.

WORKERS : Please check in with your Ring Crew Chief at least 10 minutes before your work assignment. We are using some full time workers to fill the timer, scribe and gate steward positions, but can still use lots of other help! Worker Schedules will be posted at ring side on a large white board each morning. Simply sign up on the white board and listen for the Ring Crew Chief to call for your class. Once you have signed up, please check in with your Ring Crew Chief(s) (RCC) 10 minutes before you are scheduled to work to assist with keeping the classes running smoothly. Every class you work in will earn you tickets for our awesome Workers Raffle. If your Ring Crew Chief doesn't give them to you, don't be shy—ask for them! In addition, all workers will receive a lunch ticket for the first class worked.

SCORING, QUESTIONS, POSTING: Scores will be posted in binders next to the consolidated scoring tables and near awards as soon as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you have a question, ask! While it's true the score table is busy, we are never too busy to help you.

If you have any questions about anything other than scoring, or have any feedback about ways we can improve our trial don't be shy about saying something (although I've never really known agility people to be shy about expressing their opinions). Track down our Trial Chair, Susan Cochran; our Trial Secretary, Kathie Leggett; or talk to anyone wearing a red TRACS shirt/jacket.

AWARDS: We will have your awards ready as soon as we can, but please be patient. AKC requires judges to review all scribesheets prior to awards being available to competitors. In addition to rosettes for class placements and qualifying flats, there are special rosettes for Double Qualifying rounds; for new titles; and for any MACH. ***IF YOU MAY EARN A MACH AT THIS TRIAL, PLEASE LET OUR TRIAL SECRETARY KNOW AS SOON AS POSSIBLE!! We will have a MACH ribbon for everyone who has let us know, but otherwise, we may run out and you'll have to get yours afterwards in the mail.***

CHECK IN: Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. With a couple of exceptions, course Maps will be available at the check in table for pick up. Open and Novice FAST maps will be held back at the Scoring Table. If you are entered in those classes, just ask for them.

MEASURING: In accordance with recent changes, the only dogs that require measuring are those without height cards or dogs over two years of age who only have one measurement. If you have a permanent height card or two measurements on a dog more than two years old or have a temporary height card for dogs less than two years old, you no longer need to submit or show height cards. Only if you have a dog over two years of age (of any height) and do not have your permanent card will you need to be measured.

If you marked that your dog needs to be measured, your dog MUST be measured ** BEFORE ** running-all heights. There will be someone measuring dogs for the day at the start of check in, around 7:15. Subsequent

measuring will be done as required. If you need official measurements, we will have at least one Volunteer Measuring Official available throughout the weekend. Come to the Trial Secretary's table.

TRIAL SCHEDULE – Rings start at different times from day to day. Please see details on the following pages!

CONFLICTS: Conflicts will be handled as needed. If you even THINK you might have a conflict, notify your GATE STEWARD before your class begins or as soon as you know you have a problem. We will do everything we can do make sure you get your run, including resetting jump heights once after all dogs have run, so long as you have told us you have a problem. However, we will not hold a ring open once all dogs present at ringside have run; there are other classes to get going.

Recent AKC directives have established that only the Judge can approve any changes to the published running order. The Judge will brief the Gate Stewards on the process they want them to use to handle conflicts. If you have a conflict, identify it to the Gate Steward and he/she will handle it in accordance with the Judge's guidance. If the Gate Steward has not received specific guidance from the judge or is unsure of how to handle your particular situation, the judge must be consulted and give approval for any change.

Handlers with multiple dogs will be separated as much as possible WITHIN YOUR CLASS.

MOVE UPS: Pre-trial move ups will be accepted until 10 pm on Mon, May 19th, 2014. Day-to-day move ups will also be taken provided you have completed a move up form and given it to the Scoring Office Table no later than 15 minutes after the end of the final class of the day.

The on Call Vet and the nearest 24 Hour Emergency Veterinarian: UC Davis Veterinary Teaching Hospital; (530)752-1393; Directions will be available at the Trial Secretary's table.

Vendors: We have a number of vendors who will be set up on the South lawn near Ring 1. Please support them so they will continue to support us.

Live To Run Again Library: Will be at this trial. Feel free to borrow a book on tape (audio CD's or cassettes) or contribute to the library. If you are donating a new audiobook, please give it to Penny Larson or leave it for her near the Workers' Raffle so she can process it before adding it to the library. You don't have to put one in to take one out-just return it when you are done at the next trial and borrow another. Open to everyone.

Other Users of the Fairgrounds: During the week, on Thursday and Friday, there is a school that uses one of the fairgrounds buildings. At recess the children play in the north area and sometimes wander the grounds and often do laps around the roadways where the RVs are parked.

Saturday, Sunday and Monday the Australian Shepherd Club will be having a show on Lawn 12 (small lawn on north end). They will be entering and exiting via the back gate. This area will not be available for our use beginning Thursday. It will be roped off so it will remain clean for the ASCA obedience rings.

TRIAL SCHEDULE

CHECK-IN: Opens at 7:15 daily. Maps will be available when the judges arrive.

GENERAL COMPETITOR BRIEFING: 7:30 am each day. Why come and listen??? Well, this is where you will get information about the trial specific to each day (stuff that may have come up since this judging schedule is published, changes to the schedule, explanation of the days events/walkthroughs, and anything else our illustrious Trial Chair needs to talk to you about!)

WALK THROUGHS:

- First walk through each day will begin no later than 15 minutes prior to the start of the first class.
- The general walkthrough in any ring may begin as soon as the judge approves the course. Subsequent classes and walkthroughs will start when previous class is completed.
- There are a number of the Masters/Excellent classes with an unconventional jump height order due to trying to keep the trial moving and the conflicts reduced.
- There are also a number of Walk/Walk/Run classes. Be sure to review the information below carefully! Walkthrough groups are shown as a series of "xx/xx/xx"; walkthrough splits are identified with "x;"

FIRST CLASSES JUDGES' BRIEFING: Will take place 15 minutes prior to the start of the first class in each ring. Subsequent judges' briefings will immediately precede each class.

JUDGING BEGINS: 8:00 at the earliest. But it varies from day to day and ring to ring. See detailed schedule below

NOTE TO EXHIBITORS ON SCHEDULE, CLASS ORDER, AND JUMP HEIGHT ORDER:

We have put a LOT of work into developing a schedule with an eye towards minimizing conflicts for the greatest number of competitors. Because of this, you will see that many of the jump height orders will remain the same for most of the weekend. Also, throughout the weekend, there are breaks built into the schedule so you may see a ring having some down time pending the completion of a class in another ring. **THIS SCHEDULE WILL NOT BE CHANGED** just because a ring is down. Please be patient, take a break, and relax and enjoy the show.

PLEASE READ THE FOLLOWING INFORMATION VERY CAREFULLY.

FAILURE TO READ AND UNDERSTAND THE SCHEDULE IS NOT GROUNDS FOR RUNNING OUT OF ORDER.
