***NEW* Simplified Jump Height Card Process**

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether their dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

**IMPORTANT NOTE TO EXHIBITORS**

- If you provide an email address on your entry form, all future communications will be via email, including final confirmation information and judging schedule. Please make sure the Trial Secretary's email address: ([kathie@touchngoagility.com](mailto:kathie@touchngoagility.com)) is allowed by your spam blocker. We will not resend or do any extra work to get your ISP to allow us to send messages to your email address.
- **Move ups** will be accepted until **Monday, May 23, 2016 at 6 pm**. Day to day move ups will be accepted providing a move up form is completed and turned into the Trial Secretary on site within 15 minutes of the last run of each day.

## The AKC World Team needs your support

Each year the AKC selects and sends a team of 12 dogs to represent the United States of America in an International Competition in Europe. This year, the team is travelling to compete in the European Open Championships. The AKC provides funding for the team to practice and to travel to Europe. The skyrocketing cost of travel and the weak dollar have increased these expenses dramatically.

You can help the AKC / USA World Agility Team by choosing to donate \$1 (or more if you choose to) in addition to the normal entry fee for this show. This donation will be collected and sent directly to the Team Leader (Carrie DeYoung, AKC Agility Director) and will be credited to the AKC / USA World Agility Team Account

## **ENTRY REQUIREMENTS: INTERNATIONAL SWEEPSTAKES CLASSES:**

Purpose: The International Sweepstakes Class (ISC) is a non regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: This class is open ONLY to dogs that are eligible to compete in BOTH the Excellent / Master Standard Class AND the Excellent / Master Jumpers with Weaves Class. **There is no Preferred Option for ISC;** dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.

- Jump Heights: Dogs may be entered in their regular jump height OR you may choose to enter in one of the FCI/ISC jump heights of 14, 18 or 26". The height cut offs for those jump heights are as follows (only those dogs entered in the 14, 18 or 26" jump heights are eligible for the direct Invitation to World Team Tryouts.) :
- Small (14" jump height) – for dogs measuring 13 ¾" and/or less at the withers
  - Medium (18" jump height) – for dogs measuring over 13 ¾" but 16 7/8" or less
  - Large (26" jump height) – for dog measuring over 16 7/8"

### **ENTRY REQUIREMENTS: TIME TO BEAT:**

Purpose: This optional agility titling class is meant to challenge the handler/dog to set a clean efficient line with an emphasis on speed and accuracy. The dog that sets the quickest time in each jump height will set the time to beat for that jump height. There will be a single class level and all dogs with any skill level (e.g. Novice, Open, Excellent, Master) will compete on the same course.

### **ENTRY REQUIREMENTS: PREMIER STANDARD AND JWW:**

PURPOSE: These optional titling classes are designed to challenge dogs and handlers at an increased speed and skill level above those set for the Master level classes. Handlers/dogs will need to negotiate courses that required varied approach angles, spacing and obstacle discriminations to be successful in these classes. These classes are offered as separate titling tracks and are not part of the MACH/PACH Championships, however, these classes ARE part of the new GRAND CHAMPIONSHIP title as well as they can be used to fulfill some AKC Nationals Qualifying requirements.

ELIGIBILITY REQUIREMENTS: Dogs with an AX are eligible to enter Premier Standard Regular. Dogs with an AX or AXP are eligible to enter Premier Standard Preferred. Dogs with an AXJ are eligible to enter Premier Jumpers with Weaves Regular. Dogs with an AXJ or AJP are eligible to enter Premier Jumpers with Weaves. Dog with Regular titles may crossover to the Premier Preferred level as noted above.

### **HEIGHT DIVISION CHART**

*Exhibitors* may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. Owners are responsible for entering the proper height divisions. If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

| Regular  | Preferred   | Information   |
|--|---|---|
| Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than the AKC Mandated height | All dogs entering the Preferred Classes for the first time MUST enter at the NOVICE level in both Pref. Std and Pref. JWW. The following jump heights shall be used in all Preferred classes. | Owners are responsible for entering their dog in the proper height division.<br><br>For dogs measuring... |

| 12"  | 8"  | 14" & under at the withers  |

### **MEASURING and HEIGHT CARD INFORMATION**

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; however they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**INSTRUCTIONS**

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the forgoing representation and agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.

**HELP WANTED:**

To all competitors: We would love your help at our trial. We plan to have some full time workers assigned to each ring (not necessarily doing the traditional Full Timer jobs, but wherever the ring crew chief chooses to put them). Workers will receive raffle tickets for our workers' appreciation raffle held each afternoon (some nice prizes!) and a \$2.00 voucher good for use with any vendor on site or for use with future TRACS entries. Care will be taken to allow you plenty of time for your own dogs, and to instruct you in your job assignments.

Just sign up on the White Boards you will find at each ring. Then, if you find that you cannot make your assignment for whatever reason, just erase your name and notify the appropriate Ring Crew Chief.
