The AKC World Team needs your support

Each year the AKC selects and sends a team of 12 dogs to represent the United States of America in an International Competition in Europe. This year, the team is travelling to compete in the European Open Championships. The AKC provides funding for the team to practice and to travel to Europe. The skyrocketing cost of travel and the weak dollar have increased these expenses dramatically.

You can help the AKC / USA World Agility Team by choosing to donate \$1 (or more if you choose to) in addition to the normal entry fee for this show. This donation will be collected and sent directly to the Team Leader (Carrie DeYoung, AKC Agility Director) and will be credited to the AKC / USA World Agility Team Account

ENTRY REQUIREMENTS: INTERNATIONAL SWEEPSTAKES CLASSES:

Purpose: The International Sweepstakes Class (ISC) is a non regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: This class is open ONLY to dogs that are eligible to compete in BOTH the Excellent / Master Standard Class AND the Excellent / Master Jumpers with Weaves Class. **There is no Preferred Option for ISC;** dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.

Jump Heights: Dogs may be entered in their regular jump height, however, only those dogs in the 12 & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs), or any dog entering the 24" jump height will be eligible for the direct invitation to the 2018 World Team Tryouts.

Small (12" jump height) – for dogs measuring 13 ¾" and/or less at the withers
Medium (16" jump height) – for dogs measuring over 13 ¾" but 16 7/8" or less
Large (24" jump height) – for dog measuring over 16 7/8"

ENTRY REQUIREMENTS: PREMIER STANDARD AND JWW:

PURPOSE: These optional titling classes are designed to challenge dogs and handlers at an increased speed and skill level above those set for the Master level classes. Handlers/dogs will need to negotiate courses that required varied approach angles, spacing and obstacle discriminations to be successful in these classes. These classes are offered as separate titling tracks and are not part of the MACH/PACH Championships, however, these classes ARE part of the new GRAND CHAMPIONSHIP title as well as they can be used to fulfill some AKC Nationals Qualifying requirements.

ELIGIBILITY REQUIREMENTS: Dogs with an AX are eligible to enter Premier Standard Regular. Dogs with an AX or AXP are eligible to enter Premier Standard Preferred. Dogs with an AXJ are eligible to enter Premier Jumpers with Weaves Regular. Dogs with an AXJ or AJP are eligible to enter Premier Jumpers with Weaves. Dog with Regular titles may crossover to the Premier Preferred level as noted above.

HEIGHT DIVISION CHART

Exhibitors may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. Owners are responsible for entering the proper height divisions. If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately. Dogs measuring over 22" at the shoulder are not eligible to enter 24" Choice.

Regular	Preferred	Information
Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than the AKC Mandated height	All dogs entering the Preferred Classes for the first time MUST enter at the NOVICE level in both Pref. Std and Pref. JWW. The following jump heights shall be used in all Preferred classes.	Owners are responsible for entering their dog in the proper height division. For dogs measuring...
8"	4"	11" & under at the withers
12"	8"	14" & under at the withers
16"	12"	18" & under at the withers
20"	16"	22" & under at the withers
24"	20"	Over 22" at the withers (may not be entered in 24-Choice)
24" Choice		At owner's discretion

HELP WANTED:

To all competitors: We would love your help at our trial. We plan to have some full time workers assigned to each ring (not necessarily doing the traditional Full Timer jobs, but wherever the ring crew chief chooses to put them).

For each class or division worked, volunteers will receive raffle tickets for our amazing workers' appreciation raffle held each afternoon (some nice prizes!).

In addition, this year, TRACS is trying something different: anyone who works two or more classes will get a personal invite to lunch (personal invitation means you'll have two stickers from the classes you work). These stickers are your ticket into our super pot luck lunch buffet with a little something for everyone: hot, cold, savory, sweet. Are you a vegetarian? We've got you covered; gluten intolerant? yep, got you covered too! All you need to do is step forward and help out in the rings!

Just sign up on the White Boards you will find at each ring. Then, if you find that you cannot make your assignment for whatever reason, just erase your name and notify the appropriate Ring Crew Chief.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above.
