2019
Dixon May Fairgrounds – Outdoors on grass
655 S. First Street, Dixon, CA 95620**

NOTICE OF JUDGING CHANGE:

**For personal reasons, Art Brest had to withdraw from judging our event.
On Sat, May 25, Cindy Macklin will judge Mas/Exc/Open/Nov Std
On Sun, May 26, Cindy Macklin will judge all JWW classes**

Thank you for entering our AKC Memorial Day Agility Trials. By this time, you have all received an entry confirmation via email. This is a preliminary judging schedule which is contingent upon move up entries that may not have been received yet.

Upon acceptance of your entry, whether you entered through the AKC Online Entry Service or mailed your entry to me, you were emailed an entry confirmation. Please ensure you have read this confirmation carefully. Unless due to a Trial Secretary oversight, errors must be corrected **before** the day of the show. No additions, deletions, or changes may be made after closing except for move ups. If you have anything to change, email kathie@touchngoagility.com.

Move ups for Friday, May 24th are accepted until Monday, May 20, 2019 at 10:00 PM and must be in print (either letter or email). Although move ups for Saturday, Sunday and Monday will be taken until 15 minutes after the close of the day's event, please consider turning in your move up form as soon as you have confirmed your results.

Directions from I-80 west: take SR 113 South towards Dixon. Stay straight as the road curves left over I-80, follow the signs to stay on SR 113-S. 113 becomes First Street. Follow First Street for a couple of miles passing through downtown Dixon. The fairgrounds are three blocks past downtown on your left.

Directions I-80 east: take the Dixon Avenue / A Street exit and go right on A Street. Turn right on First Street. The fairgrounds are three blocks south on your left side. Go past the office and main entrance drive and turn left into the south end of the fairgrounds. The agility site will be clearly in view as you enter the fairgrounds.

NOTE:

*THE SITE WILL BE AVAILABLE FOR VENDOR AND EXHIBITOR SET UP **AFTER**
3:00 pm ON THURSDAY, MAY 23, 2019*

Unless you are on the set up crew, anyone setting up ringside prior to that time will be asked to stop, move, or will be moved until we get the show set up or 3 pm, whichever is later.

SET UP CREW: If you wish to help with set up, please contact Sandy Zajkowski at tobigal@yahoo.com, by Wednesday, May 22nd or by cell phone at (916)501-8319 to be added to the Set Up Crew. **Set up is scheduled to begin about 1:00 pm.** ONLY SET UP CREW and Key Personnel will be allowed to set up ringside before 3pm on Thursday.

CANOPY SETUP: The rings will be outside on grass with limited shade, so remember to bring your own shade. On Friday and Monday, we will be using two rings set up on the South Lawn. On Saturday and Sunday, we are using three rings. Ringside competitor set up begins at 3:00 p.m. Please ensure all set ups are at least 15' back off the ring ropes. Note: TRACS will be marking off reserved areas and walk through spaces during set up. If you set your canopy up in a "designated walk-through area" or other reserved space, you will be asked to move, regardless of the time. In addition, there will be some areas normally used for crating that may have other functions (catering, awards, etc) planned to be there. See attached map of the site.

UNATTENDED DOGS: In accordance with AKC rules, all dogs must be on leash and attached to a human being. Please do not tie your dog to the TRACS canopies, leave them unattended in/on chairs, or in an unattended down stay next to the ring while walking your course. If you are early in the running order, you can bring a crate to the warm up area to stage your dog so you can be ready immediately following the walk though. However, you will have to remove it after your run to keep congestion down near the rings. Also, remember that, in most cases, there will be a five-minute break from the end of each walk through to the first dog on the line. The only exception is when we have a walk, walk, run scenario. In that case, the judging may begin immediately.

PARKING AT THE TRIAL: With the exception of vehicles with permits issued by the Trial Chair, and RVs with their associated tow vehicles, there will be NO TRACS exhibitor parking north of the aisle between the North and South Lawns. For safety reasons, only authorized and permitted vehicles will be allowed to move on the grounds during show hours. All vehicles other than RV tow/towed vehicles north of the center aisle must be moved to the parking areas and may not return until all rings are done for the day. You will be able to drive in to unload, but then you will have to move your vehicle to the parking lots no later than 7:30 am each day. There are two lots: one is as you drive into the grounds when you turn off First Street. The other is across First Street from the Main Fairgrounds entrance. Neither lot is very far away.

RV PARKING: Overnight parking is only permitted by **advanced** reservations and every overnighter will be given an **assigned** parking spot. You should have received a TRACS Overnighter/RV Information email. If not, please contact Barb Avila at bavila@me.com

RV parking will begin at 2:00 pm, however, even these individuals may not set up ringside before 3:00 pm unless on the SET UP CREW!

CLEAN UP AFTER YOUR DOG: Please clean up after your dog. Let's show them that "Dog People" are clean people. **DO NOT LEAVE ANIMALS UNATTENDED IN VEHICLE!** The club will not be responsible for damage to vehicles resulting from the rescue of overheated animals!

EXITING THE FAIRGROUNDS: If you are parked north of the center aisle with your RV, camper, or van/car, and need to exit the grounds while the trial is in progress, plan on departing through the rear gate Please DO NOT drive through the active trial area. This is for the safety of our competitors.

FOOD: TRACS will be providing complimentary coffee, tea, and various tasty edibles to competitors until 10:00 am. However, except for our AMAZING WORKER LUNCH BUFFET, there will be NO other food available on the grounds.

WATER: TRACS has gone GREEN! Workers, please bring your own (BYO) sports bottle, drinking glass, coffee cup, travel mug or other drinking container. Purified drinking water will be provided for workers at each ring. The water will be in Igloo containers set at each ring.

WORKERS : We are using some full time workers, but we can still use lots of other help! Worker Schedules will be posted at ring side on a large white board each morning. Simply sign up on the white board and listen for the Ring Crew Chief (RCC) to call for your class.

If you work two classes, you are cordially invited to partake of our amazing worker lunch buffet! Plus, you will earn \$1.00 TRACS Worker Buck per class or division. These can be used at any vendor on site or you can turn them in at the end of the trial and receive a TRACS certificate good for future entries. **Once you have signed up, please check in with your RCC 10 minutes before you are scheduled to work. This really helps keep things moving along.**

TURNING IN TRACS WORKER BUCKS:

At the end of your weekend, you need to bring all your worker bucks to the **Scoring Table** and we will give you a single voucher in exchange. After the end of this trial, **the individual worker bucks have no value.** You MUST turn them in and get a certificate. Anyone at the scoring table can do this exchange for you.

SCORING, QUESTIONS, POSTING: Scores will be posted in binders near the consolidated scoring tables and near awards as soon as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you have a question, ask! While it's true the score table is busy, we are never too busy to help you.

If you have any questions about anything other than scoring, or have any feedback about ways we can improve our trial, don't be shy about saying something (although I've never really known agility people to be shy about expressing their opinions). Track down our Trial Chair, Sandy Zajkowski; Trial Co-Chair, Karen O'Neil; our Trial Secretary, Kathie Leggett; or talk to anyone wearing a red or black TRACS shirt/jacket.

AWARDS: We will have your awards ready as soon as we can, but please be patient. AKC requires judges to review all scribesheets/catalogs prior to awards being available to competitors. In addition to rosettes for class placements and qualifying flats, there are special rosettes for Double Qualifying rounds; for new titles; and for any MACH. **IF YOU MIGHT EARN A MACH/PACH or AGCH AT THIS TRIAL, PLEASE LET OUR TRIAL SECRETARY KNOW AS SOON AS POSSIBLE!! We will have a beautiful, special ribbon for everyone who has let us know, but otherwise, we may run out and you'll have to get yours afterwards in the mail.**

CHECK IN: Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. With a couple of exceptions, course maps will be available at the check-in table for pick up. EXCEPTIONS: Open/Novice FAST maps and ISC maps will be held back at the Scoring Table. If you are entered in those classes, just stop by and ask for them.

ARMBANDS: We will not be using armband stickers at this trial.

MEASURING: In accordance with recent changes, the only dogs that require measuring are those without height cards or dogs over two years of age who only have one measurement. THIS INCLUDES DOGS JUMPING IN THE 24" OR 24C class.

If you marked that your dog needs to be measured, your dog MUST be measured ****BEFORE**** running-all heights. Terry LeClair and Cindy Macklin will be our measuring officials for the event. Morning measuring will be done near the Check-In table around 7:15 am. Subsequent measuring will be done as required. In general, the VMOs will be available at the top of each hour, so you can plan when to be near the measuring area.

TRIAL SCHEDULE – Rings start at different times from day to day. Please see details on the following pages!

CONFLICTS: Conflicts will be handled as needed. If you even THINK you might have a conflict, notify your GATE STEWARD before your class begins or as soon as you know you have a problem. We will do everything we can to make sure you get your run, including resetting jump heights once after all dogs have run, so long as you have told us you have a problem. However, we will not hold a ring open once all dogs present at ringside have run; there are other classes to get going.

Recent AKC directives have established that only the **Judge** can approve any changes to the published running order. The Judge will brief the Gate Stewards on the process they want them to use to handle conflicts. If you have a conflict, identify it to the Gate Steward and he/she will handle it in accordance with the Judge's guidance. If the Gate Steward has not received specific guidance from the judge or is unsure how to handle your particular situation, the judge must be consulted and give approval for any change.

Handlers with multiple dogs will be separated as much as possible within their class.

The on Call Vet and the nearest 24 Hour Emergency Veterinarian: UC Davis Veterinary Teaching Hospital; (530)752-1393; Directions will be available at the Trial Secretary's table.

Live To Run Again Library: Will be at this trial. Feel free to borrow a book on CDs or contribute to the library. If you are donating a new audiobook, please give it to Penny Larson or leave it for her near the Workers' Raffle so she can process it before adding it to the library. You don't have to put one in to take one out; just return it when you are done at the next trial and borrow another. Open to everyone.

Other Users of the Fairgrounds: During the week, on Thursday and Friday, there is a school that uses one of the fairgrounds buildings. At recess the children play in the north area and sometimes wander the grounds and often do laps around the roadways where the RVs are parked. Please be very careful when moving your vehicles around the grounds and be sure to keep your dogs on leash so they don't go say "hi".

The Australian Shepherd Club will be holding a conformation event on the far North Lawn on Saturday and Sunday. Please keep your dogs out of that area.

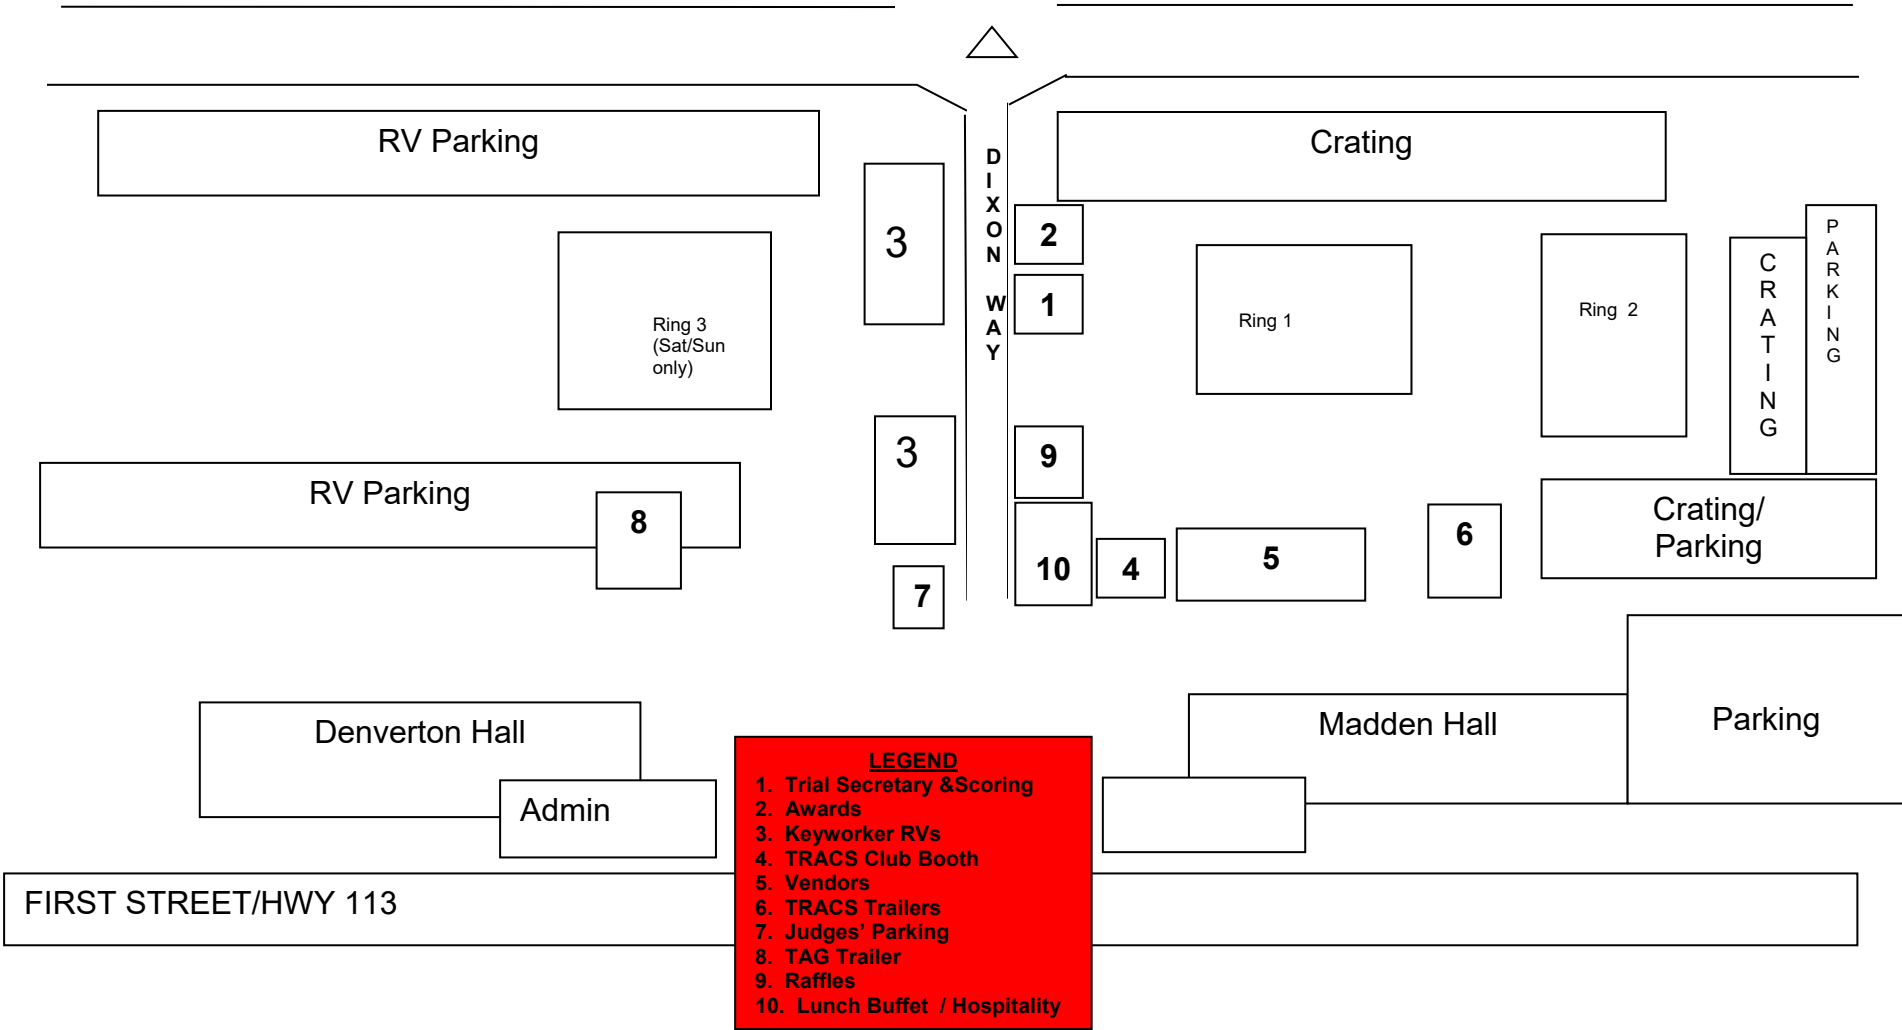

Vendors: We have some wonderful vendors attending our trial. Be sure to stop by their booth and check out what they are offering!

- Dog Gone Digital: Photographer
- Planet Blue Dog: Dog Supplies, treats and toys
- Four Paws Gourmet
- Patrice "Blue" Jackson: Human Massage Therapist Extraordinaire!
- Mountainside Vet – Dr. Ginny Carlson, DVM Canine chiropractor, acupuncture
- Lynda Lyman, canine massage therapist

GENERAL EXHIBITOR BRIEFING: 7:30 am each day. Why come and listen??? Well, this is where you will get information about the trial specific to each day (stuff that may have come up since this judging schedule was published, changes to the schedule, explanation of the day's events/walkthroughs, and anything else our illustrious Trial Chairs or Trial Secretary needs to talk to you about!)

NOTE TO EXHIBITORS ON SCHEDULE, CLASS ORDER, AND JUMP HEIGHT ORDER:

We have put a LOT of work into developing a schedule with an eye towards minimizing conflicts for the greatest number of competitors. Because of this, you will see that the Masters/Excellent classes jump height order switches around. PLEASE review the attached schedule grid carefully! Also, throughout the weekend, there are breaks built into the schedule so you may see a ring having some down time pending the completion of a class in another ring. **WE DO NOT PLAN TO CHANGE THIS SCHEDULE (although this MAY happen)** just because a ring is down. Please be patient, take a break, and relax and enjoy the show.

WALK THROUGH NOTES:

- First walkthrough each day is scheduled to start no less than 15 minutes prior to the start of the first class.
- Dealing with First Classes of the Day Conflicts:
 - **On Saturday; Prem JWW ring starts at 8:00 am; Mas/Ex Std Ring starts with the 4/8/12" dogs at 8:30.** For 4/8/12" dogs also running Premier, you must walk your Std course before 8:30 judging start.
 - **On Sunday: Both the Mas/Ex Std ring and the Premier JWW ring start at 8:00 am.** The 16" dogs run first in Mas/Ex Std. 16" handlers, you must walk both courses before judging starts at 8 am. There will NOT be an additional walkthrough for 16" exhibitors.
- The general walkthrough in any ring may begin as soon as the judge approves the course. Subsequent classes and walkthroughs will start when previous class is completed.
- For Masters/Excellent classes: Be sure to read the attached schedule carefully! In an attempt to reduce conflicts, planned jump height orders may vary throughout the day. Walkthrough groups are shown as a series of "xx/xx/xx"; walkthrough splits are identified with a semicolon "x;"
- STAY FLEXIBLE!!

FIRST CLASSES JUDGES' BRIEFING: Will take place 15 minutes prior to the start of the first class in each ring. Subsequent judges' briefings will immediately precede each class.

JUDGING BEGINS: 8:00 at the earliest. But it varies from day to day and ring to ring. See detailed schedule on following page.

FAST CLASS NOTE:

- Open/Novice FAST: We will be running the Open/Nov combo FAST class where the course is set the same for both levels with the different sends. We will be running this class in jump height order: in each jump height, Open dogs will run followed by Nov dogs.
- Master/Excellent Fast will be run separately; On all days, it will run in Ring 2 following the Open/Nov FAST class.
