

**DRAW FOR RUNNING ORDER:** All entrants must be at the test site by 9:00 AM the morning of the test, at which time there will be a draw for running order. Entrants not present at that time will be marked absent and an alternate will be allowed to run in their place.

**AWARDS:** A dark green qualifying ribbon will be awarded to each passing dog.

**DOGS ON LEASH:** Dogs must be kept on leash at all times. Failure to comply will result in the dog and handler being excused from the test site and the withholding of any awards.

**BITCHES IN SEASON MAY PARTICIPATE:** If you know that your bitch will be in season the day of the test, notify the Test Secretary ahead of time. When you arrive at the test site, park your vehicle away from the other cars and notify the Test Secretary that your entered bitch is in season. The last track to be laid will be reserved for the bitch in season. If there is more than one bitch in season, a second draw for those bitches will be held. Bitches in season will only be allowed to participate after all other dogs and bitches not in season have been tested. They must be kept away from the rest of the entered dogs. Failure to comply will result in the handler and dog being excused from the test site and any award withheld.

**DOGS IN VEHICLES:** Do not leave any dogs in closed vehicles. If any dog is seen to be suffering from extreme temperatures or is confined without supervision, the authorities will be notified to handle the situation. Violators may be reported to the sponsoring club for disciplinary action. All persons attending this test hereby waive any claim for damages against TRACS or its members in the event a motor vehicle must be entered to rescue a dog from over heating or suffocation due to improper ventilation.
