Date: 11-05-2017 Judge: RITA CRAWFORD

Scheduled Drawing Time: 9:00 AM Total No. Dogs to be Judged: 5 + alt

Catalogue Numbers of Dogs Entered in the Test: 101-102-103-104-105-106-107-108-109(w)

PROCEDURE FOR JUDGES TO FOLLOW

For each dog entered, a separate track shall be plotted by one or both Judges for a TD or TDU tracking test, by both Judges for a TDX and a VST tracking test. The tracks shall be plotted at least the day prior to the test and marked by flags that the tracklayer can readily follow on the day of the test.

A set of charts consisting of one original and three (3) copies of each track shall be prepared by each Judge, showing the approximate length in yards of each leg, major landmarks and boundaries, if any. The track is to be charted by a solid line and each Judge will mark with a broken line, the approximate course taken by the dog, then complete the data requested on the chart and sign each chart. A separate chart must be prepared in the same manner for each dog.

Each Judges shall mark a chart at the time the dog is tracking, so as to show the approximate course followed by the dog. The Judges shall sign his/her charts and show on each whether the dog passed or failed and whether all requirements of the TD or TDU, TDX or VST test were met.

Information on the chart shall also include the following: (See Sample Charts)

Dog's Catalog No.	Track No.	Total Yards
Total Yards Veg.	Total Yards Non-Vegetation	Passed/Failed
Articles	Breed/Sex	AKC Reg. No.
Ground Conditions	Time Tracklayer Started	
Obstacles/Surfaces	Time X-Tracklayer Started	
Dog's Starting Time	Dog's Finishing Time	
Weather Conditions	Wind Direction at the Start	

If a dog is not tracking, it shall not be marked "passed" even though it may have found the article(s).

Upon completion of the test, the Tracking Secretary shall forward the marked copies of the charts to The American Kennel Club, and keep one set for the club files. Each Judge will retain a copy of all charts.
