 - Travel approximately 1/2 mile.
 - Show site will be on your left.
 - Look for signs indicating parking area.

HOSPITALITY:

- Potable hose water is available for the dogs, but please bring your own drinking water.
- Please plan to bring your lunch.

MEASURING:

if your dog is new to UKI trials or hasn't previously had a measurement recorded, you'll need to take care of that at the trial. There are two options:

- If you have an official measurement from another organization, we can use that. Note that it has to be an actual measurement, not a height class. You can bring your card, print your info from your online records (drill into the dog # in USDAA to get the actual height), or just bring it up on your mobile device so we can see it).
- If not, you'll need to be measured by the judge from 8:15-8:45.

SETUP FRIDAY AFTERNOON, SAT-SUN MORNINGS

- Friday afternoon, please don't come before noon, thanks!
- Saturday and Sunday mornings: please don't come before 730am, thanks!

SCHEDULE BOTH DAYS

- 8:15-8:45: Day-of entries accepted (and if you know anyone thinking of doing this, I would LOVELOVE to know ahead of time, have them email me!)
- 8:15-8:45: Measuring (only necessary on first day)
- 8:45: Briefing and walk-through
- 9:00: First dog on the line

POOL TIME:

Terry is offering us these blocks of time each day that people and dogs can go splash and play in his pool: 11am-noon, 1-2pm, 3-4pm. Please do not go outside these times as other dogs in the house need to be put up.

See you soon - looking forward to a relaxed weekend of dog fun!
