Thank you for entering our Springtime UKI Agility trial! This is a modest sized UKI trial, but since it is only one ring, we still need to be efficient about not only RUNNING but also BUILDING! Please check the trial information that will be posted to the website, and your emailed entry confirmation; we *love* finding mistakes before the weekend. If you have anything to change, mail Bianca Yip at kek@bumpsays.com or call 209-614-5702.

AGILITY GATE: Yes! The access code is the trial date 0411.

FOOD: There will be no food available for purchase or otherwise on-site. Please bring your own! Including workers!

WORKERS: Whiteboards will be ringside at each ring where everyone else can sign up on day-of, for which we will be deeply in your debt. Every class you work in will earn you tickets for our awesome Workers Drawing. If your Crew Chief (Pat White) doesn't pay you, don't be shy—ask for it!

SCORING, QUESTIONS, POSTING - Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders. While it's true the score table is busy, we are never too busy to help you.

FAIRGROUNDS RULES:
