Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

This is the expected running order. The event committee reserves the right to change things prior to publication of the judging schedule.

**Equipment and Obstacles**

Equipment is provided by Touch & Go Agility and TRACS. Obstacles will meet the specifications for ISC classes in the current edition of the AKC Regulations for Agility. The ring may not be fully fenced and there will be no ring gates used.

### **Fee Schedule**

### **Site Information**

Dixon May Fairgrounds  
655 S 1<sup>st</sup> St Dixon CA 95620

### **AKC Rules and Regulations**

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <https://www.akc.org/rules/>

### **Awards**

Ribbons will not be provided unless otherwise requested

### **For Exhibition Only (FEO)**

- FEO allows exhibitors to work with their dogs in a trial environment.
- FEO is available in all classes.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare FEO through the Agility Gate app the day of the trial.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day-of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring to the judge and the scribe **prior to leading out.**

### **Fix and Go On (FNG)**

- Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.
- This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.
- FNG will result in a non-qualifying score.
- Exhibitors are not to signal they are using FNG – the judge will signal the scribe appropriately.

### **Bitches in Season (BIS)**

BIS will be permitted to compete at this event. Handlers with bitches in season are requested to indicate this on the run order prior to their run and take appropriate precautions to minimize disruption

### **Jump Heights**

Dogs may be entered in their regular or preferred jump heights; however, only those dogs running in the 12," 16," 20" and 24" class that meet the FCI/ISC measuring cutoffs (different than regular AKC cutoffs) may use their clean run toward the required qualifications for WTT or EOTT. Please see the 2026 EO/AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- **Small** (12" jump height) – for dogs measuring 13  $\frac{3}{4}$ " or less at the withers
- **Medium** (16" jump height) – for dogs measuring more than 13  $\frac{3}{4}$ " and up to 16  $\frac{7}{8}$ " at the withers.
- **Intermediate** (20" jump height) – for dogs measuring more than 16  $\frac{7}{8}$ " but less than 18  $\frac{7}{8}$ " at the withers.
- **Large** (24" jump height) – for dogs measuring over 18  $\frac{7}{8}$ " at the withers

### **Qualifications**

"Clean run" scores from ISC Classes at official FCI jump heights, 12", 16", 20", and 24," may be used to fulfill the qualification requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

### **Course Walk Through / Warm Up Area**

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of a class. The walk through is restricted to handlers entered in the class. A warm-up jump will be provided.

### **Agility Trial Site Directions**

I-80 from the Bay area: take the Dixon Avenue/A Street exit and go right at the end of the off ramp... turn right on to First Street... the fairgrounds are three blocks south on your left, past the office and main entrance... turn left into the fairgrounds right before the large white brick wall. You will see the agility rings as you drive in.

I-80 from Sacramento area: take the 113 South exit... ramp curves up and over I-80... stay straight on 113 South which becomes First Street... go through downtown Dixon.... the fairgrounds are three blocks south on your left, past the office and main entrance... turn left into the fairgrounds right before the large white brick wall. You will see the agility rings as you drive in

### **Volunteers**

Trials cannot happen without the help of volunteers. If you have time to set a bar, run a leash, time, scribe or gate – even if it is only for ten dogs – it will help immensely. We will break up running into two halves per class so that workers in either half will have time to warm up their dog before they are set to run in the next half.

### INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as "All American Dog" and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club by calling (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, please specify the relationship of the Junior Handler to the Owner.
