

Information for Overnighers at the TRACS USDAA Sept 19-20 2009 show

General Information

My name is Pam Richards. I am your **Camp Host**. I want your stay here to be pleasant so let me know if you have any problems and I will try to help you. My cell phone number is 916-580-8186. I will post a Camp Host sign by my motorhome.

Utility Connections ---- warning --- warning

This is a county fairgrounds and the electrical connections vary from a few 50's, some 30's and many 20's inside the grounds where the rings are. I have attempted to assign good sites that match your needs. But, you must bring converters so that you can use the electrical connection nearest your location. In addition, it could be necessary to use an extension cord. Water is available but frequently some distance from your site so you will need a long hose.

Check In

There will be signs pointing to my RV site. Check-in is straight ahead on the road you enter. Please stop short of my RV as you will be most likely making a right turn. All overnighers must have assigned spots.

Permits

You will be given a permit(s) that you must display in the window of your vehicle(s) during your stay. Each towed or towing vehicle will be given a permit.

Friday Arrival times are: 3pm – 9pm after 9pm follow directions at the entrance, locate check-in and your permit and site number will be there in a box.

Saturday Arrivals

Contact me at the fairgrounds and I will direct you to your assigned spot.

Traffic Movement

Only authorized vehicles will be allowed to move on the grounds during show hours. If you have a tow vehicle you want to use during the day move it before the show starts in the morning.

Showers

There are showers available. They will be marked on your map.

Parking Permits

You will receive your parking permit when you arrive. This must be displayed prominently in your window. Please do not cover this up. We will be checking vehicles.

Other Users of the Fairgrounds

There will be other activities on the fairgrounds during the weekend.

Being Good Neighbors

It is critical that we leave the grounds in as good a condition as when we found it. Please pickup after your dog. Dogs may not pee on any man made items or obstacles such as, garbage cans, fences, light posts etc.

Have many clean runs,

Pam Richards

People with Overnight Reservations

Alles	Kathleen
Basic	Jim
Bieber	Nora
Chun	Debbie
