

Thank you for entering our USDAA Agility trial to be held at the Yolo County Fairgrounds on Sept. 17 & 18, 2011. Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday, Sept. 14, 2010. If you have anything to change, mail Karey Krauter at [kkrauter@bumpsays.com](mailto:kkrauter@bumpsays.com) or call 650-906-5146.

There are about 550 runs each day with 80 Masters dogs entered, 20 Advanced dogs and 15 Starters dogs entered so we should end at a reasonable time both days.

On Saturday, we will be sharing the fairgrounds with the Chili Cook-off group so please exercise dogs only in our area, but feel free to head over there for some delectable (human) treats!

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

**FOOD:** We lost our lunch caterer for the weekend but we're making sumptuous plans for a freebie lunch spread for our tireless workers. Otherwise plan on bringing your own lunch or going off-site (or having chili!). Breakfast munchies will be available for all competitors during check-in. Each ring's Crew Chief will provide workers with a lunch ticket. If you are scheduled to work after lunch, be sure to track down your Crew Chief in the morning and ask for your ticket! If you step into help out for a full class, get your lunch ticket from the Crew Chief.

**WORKERS:** Speaking of working, schedules will be posted by each ring each morning and will be available at the check in table. If you volunteered, you can check to see what job you have been assigned. If you volunteered but we were unable to schedule you because of multiple dogs and classes, thank you anyways! Feel free to step in and help out if you see the chance! Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it!

**SCORING, QUESTIONS, POSTING** - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.

**RUNNING ORDERS, RESULTS** - posted at [www.agiltracs.org](http://www.agiltracs.org).

Don't forget this trial will have same weekend moveups if you title on Saturday!
