

Thank you for entering our USDAA Agility trial to be held at the Yolo County Fairgrounds on Sept. 15 & 16, 2012. Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday, Sept. 12, 2012. If you have anything to change, mail Karey Krauter at kkrauter@bumpsays.com or call 650-906-5146.

There are about 400 runs each day with 60 Masters dogs entered, 10 Advanced dogs and 20 Starters dogs entered so we should end at a reasonable time both days.

On Saturday, we will be sharing the fairgrounds with the Chili Cook-off group so please exercise dogs only in our area, but feel free to head over there for some delectable (human) treats!

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

FOOD: You're on your own for breakfast and coffee but our own Linda Darcy will be putting out a sandwich spread for workers for lunch! Each ring's Crew Chief will provide workers with a lunch ticket. If you are scheduled to work after lunch, be sure to track down your Crew Chief in the morning and ask for your ticket! If you step into help out for a full class, get your lunch ticket from the Crew Chief.

WORKERS: Speaking of working, schedules will be posted by each ring each morning and will be available at the check in table. If you volunteered, you can check to see what job you have been assigned. If you volunteered but we were unable to schedule you because of multiple dogs and classes, thank you anyways! Feel free to step in and help out if you see the chance! Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it!

SCORING, QUESTIONS, POSTING - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.

DAY PARKING - Parking is allowed in the interior of the fairgrounds, by the barns south of the starters/advanced (Rich's) ring. You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked inside may NOT MOVE THEIR VEHICLE while the trial is running (approximately between the hours of 7:30 a.m. and 4:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the main parking lot outside the fairgrounds front gate..

When you arrive Friday afternoon or Saturday morning, check in with Susan Cochran for the permit you are required to display on your dashboard. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.
