

TRACS Sep 16-18 2016 USDAA, Woodland CA

Check-in Schedule (check in only on your first day)

Check in/measure-in: 7:15 - 7:45AM
First walk through: 7:45AM
First dog on the line: 8:00AM

You must measure in if you have a blue card that isn't fully signed-out AND that isn't jumping the max height in their program (26-championship or 22-performance).

Thank you for entering our fall USDAA Agility trial! Please read your confirmation carefully. Move ups are accepted until 6PM on Wednesday before the trial weekend. If you have anything to change, mail Karey Krauter at kek@bumpsays.com or call 650-906-5146.

On Saturday, we will be sharing the fairgrounds with the Chili Cook-off group so please exercise dogs only in our area, but feel free to head over there for some delectable (human) treats!

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

FOOD: We will be laying out a lunch buffet for workers only. No other food will be available for purchase on-site, so set a bar and join us!

WORKERS: Speaking of working, a worker schedule skeleton will be put together in advance assigning our sainted fulltimers. Whiteboards will be ringside at each ring where everyone else can sign up on day-of, for which we will be deeply in your debt. Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it! And did we mention free lunch?

SCORING, QUESTIONS, POSTING - We get scores posted as quickly as possible after each jump height is completed. Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders, but please try to be quick about it and then move off so others can peek. While it's true the score table is busy, we are never too busy to help you.

A NOTE FROM OUR MASTERS JUDGE

ABOUT FOOT WRAPPING: "USDAA prohibits external aids that may help a dog's performance or mask potential serious injury. That said, dogs should not be needlessly subjected to aggravations of worn or slightly damaged pads. The Masters judge, for this event, will allow minimal bandaging of worn pads, provided that such bandaging is presented to the judge for review in order to ensure that it does not amount to an undue aid and/or potentially mask too great of an injury."

General competitor set up starts at 3PM. If you show up before 3PM and are NOT helping with set-up at that time, then you will be invited to please wait until 3PM.

Be aware that the fairground gates will NOT be locked at any time, and the competitor assumes all risk of leaving items overnight. TRACS will not be responsible for any loss or damage to items at the show site.

DAY PARKING - Parking is allowed in the interior of the fairgrounds, by the barns south of the starters/advanced ring. You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked inside may NOT MOVE THEIR VEHICLE while the trial is running (approximately between the hours of 7:30 a.m. and 4:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the main parking lot outside the fairgrounds front gate..

RV PARKING - Is by advance arrangement. If you didn't send in an RV form with your entry form but wish to RV now, contact kek@bumpsays.com.

When you arrive, check in with Susan Cochran for the permit you are required to display on your dashboard. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.
