

Thank you for entering our USDAA Agility trial at the Yolo County Fairgrounds on Apr 12-14, 2019. There are 300-450 runs each day with 110 dogs entered, so we should end at a reasonable time on all three days.

TRACS will not be responsible for any loss or damage to items at the show site. Things have been stolen at this site in the past. We recommend you secure or remove valuable items in your crating area overnight.

RV PARKING

Advance arrangement only (see Premium). Spaces on the fence next to the restrooms are reserved for Trial Committee/Key Workers. All other spaces are first-come, first-served. If you have any questions, contact holly@agilepooch.com.

IMPORTANT NOTE: As of Sun 4/7, there are no restrictions for RV parking due to lawn conditions. We will send a notice if that changes.

DAY PARKING

Parking is allowed in the interior of the fairgrounds. You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked beyond the split driveway next to the rings may NOT MOVE THEIR VEHICLE while the trial is running (assume 8:00 a.m. to 5:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the area immediately to the left after you enter the gate, before you get to the rings.
