

TRACS Apr 14 UKI, Apr 15-16 2023 USDAA, Woodland CA

Check-in Schedule (check in only on your first day)

Check in/measure-in:	7:15 - 7:45AM
First walk through:	7:45AM
First dog on the line:	8:00AM

You must measure in if you don't have a height certification listed for you in your competitor services dashboard on the USDAA website.

Thank you for entering our Springtime USDAA/UKI Agility trial! This is a NICE sized UKI trial and a modest USDAA trial, which means we will be finished in plenty of time for afternoon tea! Please check the trial information that will be posted to the website, and your emailed entry confirmation; I *love* finding mistakes before the weekend. If you have anything to change, mail Karey Krauter at kek@bumpsays.com or call 650-906-5146.

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

AGILITY GATE: Yes! The access code is the trial date 0415.

FOOD: There will be no food available for purchase or otherwise on-site. Please bring your own!

WATER: We'll have water for all in 5-gal spigotted jugs: BRING YOUR OWN BOTTLE TO FILL! Be green!

WORKERS: Whiteboards will be ringside at each ring where everyone else can sign up on day-of, for which we will be deeply in your debt. Every class you work in will earn you tickets for our awesome Workers Raffle. If your Crew Chief doesn't give you one, don't be shy—ask for it! And did we mention lunch for working two or more classes??

SCORING, QUESTIONS, POSTING - Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders. While it's true the score table is busy, we are never too busy to help you.

DAY PARKING - Parking is allowed in the interior of the fairgrounds, by the barns south of the starters/advanced ring. You will be directed AWAY from designated RV spots: please be considerate! Further, anyone parked inside may NOT MOVE THEIR VEHICLE while the trial is running (approximately between the hours of 7:30 a.m. and 4:00 p.m.). If you anticipate needing to move your vehicle during these hours, you should instead park in the main parking lot outside the fairgrounds front gate.

When you arrive, check in with Sandy Zajkowski for the permit you are required to display on your dashboard. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.

JUDGE CHANGE - We are sad that Peggy has to step down from judging our show, and we are glad to tell you that Ken Boyd has offered to fill in for her.
