***Combined Pairs Relay & 2nd Titling Run (same partner/switch sides of course)**

Pairs Relay is being conducted as a Combined Class for all levels within each Program (i.e., Championship & Performance) at this event. Complete the Entry Form for entering your first run, indicating Championship or Performance and Pairs partner (unless entering as a draw team); unmatched Pairs partners as of the Closing date shall be entered as a "draw" entry. Then enter "Combined Relay" for a second round of Pairs Relay for titling purposes in the same program, where you and your partner will switch halves of the course.

Two Rounds of Pairs! What if I don't want the same partner for both rounds?

We are excited to offer TWO rounds of pairs on Saturday. For the first round, you run one half, and for the 2nd round, you run the other half, if you enter both rounds. The entry form defaults to only asking you for one pairs partner, to whom you will be assigned for both rounds - UNLESS! Unless you don't want the same partner for both rounds (which is the case if you are still in the hunt for five unique partners for your ADCH).

If you enter both rounds but only list one partner, you'll be paired with that partner for both rounds. If you qualify in both rounds with this partner, only one will count towards your unique partners list (but both will count towards your lifetime points).

If you would like two unique partners for the two rounds, either list them both if you already have them arranged, or include a note saying you would like two unique partners. Eezy-peezy.
