

TRACS Oct 25-26 2025 USDAA, Woodland CA

Check-in Schedule (check in only on your first day)

Check in/measure-in: 7:15 - 7:45AM
Briefing, walkthrough: 8:00AM
First dog on the line: 8:30AM

You must measure in if you don't have a height certification listed for you in your competitor services dashboard on the USDAA website.

Thank you for entering our Autumn USDAA Agility trial! Even with the modest entry numbers, we'll want to run efficiently in coordination with the AKC trial with which we are sharing the field! Please check the trial information that will be posted to the website, and your emailed entry confirmation; I *love* finding mistakes before the weekend. If you have anything to change, mail Karey Krauter at kek@bumpsays.com or call 650-906-5146.

Important Note to exhibitors: We must clean-up and bag all poop (it is in the contract - we will be fined if this is not done). Also do not allow dogs to urinate on trash cans or ANY structure!!!

AGILITY GATE: Yes! The access code is the trial date: 1025.

FOOD: TRACS will provide a buffet style lunch shared between AKC and USDAA for all key workers fulltime workers and those who bring a dish for the buffet. This will be on the honor system. There is no food to purchase on-site. If you would like to contribute something to the buffet, please contact Sharon Murphy slmreo@sbcglobal.net, thanks!

WORKERS: Whiteboards will be ringside at each ring where everyone else can sign up on day-of, for which we will be deeply in your debt. Every class you work in will earn you tickets for our awesome Workers Raffle, as well as lunch half-vouchers. If your Crew Chief doesn't give you one, don't be shy—ask for it!

SCORING, QUESTIONS, POSTING - Please check your results as soon as possible so we may resolve any questions you may have before the judge forgets what your run was like! If you want to check your score while your jump height is still running, feel free to peek over our shoulders. While it's true the score table is busy, we are never too busy to help you.

GATE HOURS:

The fairgrounds gates are locked up at night, so please note these times and try your best to be on the side of the gate that you want at that time! If you get locked out/in, CALL SANDY ZAJKOWSKI to have her open the gates from the inside: 916-501-8319.

GATES OPEN AT 7:00AM SATURDAY and SUNDAY mornings.

GATES CLOSE AT 9PM FRIDAY and SATURDAY nights.

BAY TEAM PRACTICE RING! There will be a dedicated practice ring all weekend. \$30 payable to BAY TEAM, paypal/chk/cash, for unlimited access from when it opens Friday afternoon after setup up until just before the last class runs on Sunday. See rules of engagement at www.agiltracs.org.

Friday SETUP TIMELINE

Do not arrive before 1pm, thanks! We need the time to lay things out.

1:00PM - Ring set-up starts, RV's may arrive. Setup workers may arrive. Competitors are very welcome to come now and help set up AND get your fave crating spot.

3:00PM - General competitor set up. If you show up before 3PM and are NOT helping with set-up at that time, then you will be invited to please wait until 3PM.

Be aware that the fairground gates will be LOCKED after 9PM each day, and the competitor assumes all risk of leaving items overnight. TRACS will not be responsible for any loss or damage to items at the show site. See below GATE HOURS section on what to do after 9PM.

DAY PARKING - Parking is allowed anywhere in green on the map below. No parking allowed in any buildings, and (unlike anywhere else!) please park ALL THE WAY ON THE GRASS, no wheels on asphalt. If you anticipate needing to move your vehicle when dogs are running in the rings, please use the road around the back to get out, and not the main street road that goes right next to the rings,

DAY DRIVING - Be aware the main street running across the front of the rings, past the ribbons and raffle and trailers, will be CLOSED to through traffic after 8:30am, and remain closed until the end of the day when all dogs have run.

RV PARKING - Is by advance arrangement only, contact kek@bumpsays.com.

When you arrive, check in with Sandy Zajkowski for the permit you are required to display on your dashboard, along with special after hours access info. RV spots are first-come-first-served, with the exception of some marked spots that will be reserved for key workers. If you want to RV with your friends, make your own arrangements to have the first arrived in your group save adjacent spots for the rest of your crowd.

BITCHES IN SEASON

Are allowed at this event, provided they wear sanitary britches the entire time they are in populated areas (pottying, around the rings, in the rings while running).
