#### NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. **It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.**

Note: It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

#### IMPORTANT NOTE TO EXHIBITORS

- If you provide an email address on your entry form, all future communications will be via email, including final confirmation information and judging schedule. Please make sure the Trial Secretary's email address: ([tervteam@comcast.net](mailto:tervteam@comcast.net)) is allowed by your spam blocker. We will not resend or do any extra work to get your ISP to allow us to send messages to your email address.
- **Move ups** will be accepted until **8 pm - Monday, May 17, 2010**. Day to day move ups will be accepted providing a move up form is completed and turned into the Trial Secretary on site within 15 minutes of the last run of each day.

**ENTRY FEES** (Per Dog, Per Day): **\$16.00 - 1<sup>ST</sup>Class / \$14.00 ea. - 2<sup>nd</sup> & 3<sup>rd</sup> class except ISC Classes are only \$8.00** (includes AKC Recording Fees of \$3 per run). All fees must be paid in U.S. funds only-by cash or check.

Sample Fees: STD + JWW + FAST = \$44.00 Or JWW + STD + ISC = \$38.00

**SHOW SITE:** This show will be held outdoors on grass. All rings will be 120' long by 100' wide.

#### The AKC World Team needs your support

Each year the AKC selects and sends a team of 12 dogs to represent the United States of America in the FCI World Agility Championships in Europe. The AKC provides funding for the team to practice and to travel to Europe. The skyrocketing cost of travel and the weak dollar have increased these expenses dramatically.

You can help the AKC / USA World Agility Team by choosing to donate \$1 (or more if you choose to) in addition to the normal entry fee for this show. This donation will be collected and sent directly to the Team Leader (Andy Hartman, AKC Agility Director) and will be credited to the AKC / USA World Agility Team Account

THANK YOU!  
AKC WORLD TEAM

- Mixed breed dogs that have been listed with AKC Canine Partners may participate provided their listing number has been recorded on the entry form and must list "Canine Partner" (mixed breed) for the breed name on the entry form. No other breed description may be used to identify a mixed breed entry. Additionally, the exhibitor must provide their AKC Canine Partners listing number on the entry form and check-mark "AKC No."
- Running order will be determined by a random draw. Handlers with more than one dog will have those dogs separated as much as possible.
- No hand deliveries for the first 24 hours after opening date and time. Maximum of 10 entries per envelope.
- **There will be no refunds for entries withdrawn after the closing date except in the event of injury to dog or handler or bitches in season. In these cases, entries will be refunded (minus expenses) provided the trial secretary is notified in writing prior to the trial.** Entry fees will not be refunded in the event a dog is absent, disqualified, excused or barred from competition by the action of the trial committee. In the event a dog and/or handler are dismissed from competition, regardless of the reason for such a dismissal, there shall be no refund.

- Handlers of all classes are permitted to walk the course without a dog, prior to the start of a class. A warm-up jump will be provided for each ring. There will not be equipment familiarization at this trial. No umbrellas permitted on course during walk throughs.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund on any fee paid will be made.
- All dogs must be on leash at all times except when in the ring or when in the designated agility warm up area.

## **ENTRY REQUIREMENTS: INTERNATIONAL SWEEPSTAKES CLASSES:**

Purpose: The International Sweepstakes Class (ISC) is a non regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: This class is open ONLY to dogs that are eligible to compete in BOTH the Excellent Standard Class AND the Excellent Jumpers with Weaves Class.

Jump Heights: The ISC shall be split into three (3) separate categories:  
Mini – for dogs measuring 13 ¾" and/or less at the withers; jump 14"  
Midi – for dogs measuring over 13 ¾" but 16 7/8" or less; jump 18"  
Maxi – for dog measuring over 16 7/8"; jump 26"

### **HEIGHT DIVISION CHART**

*Exhibitors* may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division. Owners are responsible for entering the proper height divisions. If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

Regular	Preferred	Information
Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than the AKC Mandated height	All dogs entering the Preferred Classes for the first time <b>MUST</b> enter at the NOVICE level in both Pref. Std and Pref. JWW. The following jump heights shall be used in all Preferred classes.	Owners are responsible for entering their dog in the proper height division.  For dogs measuring...

16"	12"	18" & under at the withers
20"	16"	22" & under at the withers

**INSTRUCTIONS**

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Mixed breed dogs enrolled in the AKC Canine Partners program may be eligible to enter all-breed AKC agility trials at the club's option. Mixed breed dogs entered in these events must list the breed name as "Canine Partner" (mixed breed) and not as a breed hybrid and must include their AKC Canine Partners number on the entry form and check the AKC No. box.
