During the first 48 hours after opening, the initial limit of entries designated as either online or paper entries will be as follows: All days: **Online Entry, 200 per day; Paper entries: 500 per day.** If either form of entry has not filled at the end of the 48-hour time period, the club reserves the right to decrease or increase either the online or the paper limits accordingly.

AKC ONLINE ENTRY REFUND POLICY: AKC Online convenience fees will not be refunded for any reason. This is an AKC policy – TRACS has nothing to do with it.

- All entries, requests for move-ups, etc are responded to as quickly as possible. If you do not receive a response within 48 hours, please email the Trial Secretary (Kathie) at kathie@touchngoagility.com.
- Express mail entries must include the signature waiver allowing them to be left at the secretary's address (max 10 entries per envelope). No entry shall be made, and no entry shall be accepted that specifies any conditions as to its acceptance.
- No entries will be accepted by phone, fax or email.
 - **PAYMENT MUST ACCOMPANY ENTRY.** No hand deliveries will be accepted in the first 24 hours following the opening date and time. Inquiries may be directed to Kathie Leggett, at kathie@touchngoagility.com
- Entries must be submitted on an Official AKC-form, with the current agreement on the back side and the correct entry fees One dog per form. **Please read the section: "Class changes effective January 1, 2020," in the premium for instructions when entering same dog in multiple heights or mixed regular and preferred classes.**
- Agreement on back of form **MUST** be signed. Photo copies must be legible with original signature.
- Illegible entries will not be processed and will be returned to the exhibitor. Returned checks do not constitute a valid entry and the Trial Secretary will add a \$35.00 collection fee to the amount of each returned check. Be sure to send correct fees. Overpayments less than \$10.00 will not be refunded.
- TRACS will refund 100% of entry fees for any bitch that comes into season. Written notification (email is fine) is required to the Trial Secretary prior to the start of judging on any trial day. TRACS reserves the right to require a veterinarian's note.
- Judges are **NOT** required to wait for dogs **UNLESS** a conflict is noted on the Agility Gate; The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.
- In no instance will the course change to the next class be held up once all entered dogs present at ringside have been judged without the concurrence/coordination of the Trial Chairs or Trial Secretary.

Walk-through & Warm Up

- Handlers in all classes will be permitted to walk the course without a dog prior to the start of the class.
- Walk throughs are only for handlers entered in that class.
- A warm up area, consisting of one regulation winged agility jump for each ring will be provided.
- Umbrellas are not allowed on the course during the walk though

MIXED HEIGHT / DIVISION ENTRIES

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch

A **separate entry form** must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend, thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Master STD/JWW while also entered in 24-inch Premier STD/JWW on the same trial day.

When calculating entry fees, treat multiple entry forms for the same dog as if only one had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

OBSTACLES & RING CONDITIONS

- Obstacles shall meet the specifications for obstacles in the current AKC Regulations for Agility trials
- Equipment for Rings 1 & 2 is provided by TRACS; these rings will be fully enclosed and gated.

- This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds. **Exceptions:** bitches in season, aggressive dogs, blind dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance.
- Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.
- No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.
- Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.
- Puppies under four months of age are strictly prohibited from the trial grounds.

- Mixed breed dogs that have been listed with AKC Canine Partners may participate provided their listing number has been recorded on the entry form and must list “Canine Partner” (mixed breed) for the breed name on the entry form. AKC Height Divisions

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs measuring 11" & under at the withers
12"	8"	For dogs measuring 14" & under at the withers
16"	12"	For dogs measuring 18" & under at the withers
20"	16"	For dogs measuring 22" & under at the withers
24"	20"	For dogs measuring over 22" at the withers
24C		Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Jump Height Information

All dogs without height cards must be measured before running, either by the judge of record, except 24"/24C dogs. However, if a VMO or AKC Agility Field Representative is on site, all dogs without height cards, INCLUDING 24"/24C dogs, need to be measured. When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether their dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog on the "Dogs To Be Measured List".

FOR EXHIBITION ONLY (FEO)

- FEO allows exhibitors to work with their dogs in a trial environment.
- Because this is a regular AKC trial, FEO is only available in the Time to Beat and FAST classes.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare FEO through the Agility Gate app the day of the trial.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Masters). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the judge and the scribe.

FIX AND GO ON (FNG)

- Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.
- This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.
- FNG will result in a non-qualifying score
- Exhibitors are not to signal they are using FNG – the judge will signal the scribe appropriately.

EXHIBITOR INFORMATION

- If you provide an email address on your entry form, all future communications will be via email, including final confirmation information and judging schedule. Please make sure the Trial Secretary's email address: (kathie@touchngoagility.com) is allowed by your spam blocker. We will not resend or do any extra work to get your ISP to allow us to send messages to your email address.

- **Move ups** will be accepted until **Monday, May 22, 2023 at 6 pm.** Day to day move ups will be accepted providing a move up form is completed and turned into the Trial Secretary on site within **15 minutes** of the last run of each day, but DON'T Wait!! You can turn in your move up as soon as the official results are posted. It really helps us out to get the move ups earlier in the day.
- Agility Gate App – We will be using the Agility Gate app for the trial so you can keep track of where we are on your smart phone. Please go to <https://agilitygate.com> or your app store to download/update the app on the Thursday before the trial. If you download it before that, you may need to update again. Course maps will be published in the Agility Gate App. No printed copies will be available. The gate app will allow for:
 - Downloading course maps the morning of the competition.
 - Checking in for each class, including scratching your entry and marking a conflict
 - Checking to see when you need to be at the ring to run by seeing in real time the mark off of dogs that have already run
 - The code needed to access the TRACS information will be sent out with the judging schedule.
 - Getting messages from the Trial Secretary
 - And many other really neat things!
- Running order will be determined by a random draw. Handlers with more than one dog will have those dogs separated as much as possible.
 - **There will be no refunds for entries withdrawn after the May 17, 2023 closing date except in the event of injury to dog or handler or bitches in season.** In the case of injury, entries will be refunded (minus expenses) provided the trial secretary is notified in writing prior to the trial. The club reserves the right to ask for a doctor's or vet's note in the event of a request for refund.
 - With the exception of any AKC online entry system convenience fees, in the event of a bitch coming into season after closing, full entry fees will be refunded.
 - Entry fees will not be refunded in the event a dog is absent, disqualified, excused or barred from competition by the action of the trial committee. In the event a dog and/or handler are dismissed from competition, regardless of the reason for such a dismissal, there shall be no refund.
- No entry fee will be refunded if this trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- **Exhibitors are responsible for complete, accurate and legible information on their entry. PLEASE PRINT or use the entry forms fillable .pdf function;** illegible or incomplete entries cannot be entered in the trial.
- **Returned checks do not constitute a valid entry.** The Trial Secretary will add a **\$35.00 collection fee** to the amount of each returned check. Subsequent returned checks from the same exhibitor will result in their being put on a "cash only" basis.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund on any fee paid will be made.
- All dogs must be on leash at all times except when in the ring or when in the designated agility warm up area.
- Exhibitors are responsible for being at the ring gate when it is their turn to run. Exhibitors, while competing, must wear appropriate/proper footwear. For safety reasons, exhibitors will not be allowed to compete in "bare" feet or open toe shoes.
- Please clean up after your dog while on the show grounds and at the motel sites. We want to retain these facilities for future events.
- **DO NOT LEAVE ANIMALS UNATTENDED IN VEHICLES.** The club will not be responsible for damage to vehicles resulting from the rescue of animals in distress.

- **Emergency Veterinarian:** UC Davis Veterinary Medicine Teaching Hospital, Small Animal Clinic, 1 Garrod Dr. Davis, CA 95616; (530)752-1393. Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
- The club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

WAIT LIST

Wait List for Withdrawn Entries after the Closing Date/Time: Two Rivers Agility Club of Sacramento is offering a Wait List to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 50 runs will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to 05/17/2023. VOLUNTEER INFORMATION

LOOKING FOR KEYWORKERS & FULL TIMERS!

TRACS is looking for individuals willing to fill a few open Key Worker positions OR be a full-time volunteer (not running a dog). If you are willing to do either, please contact our Volunteer Coordinator, Sandy Zajkowski at tobigal@yahoo.com

WHAT IS A FULL TIME WORKER?

Someone not running a dog that can work full time, all day. You are like gold to us!! For each day worked, in addition to worker raffle tickets, you will receive two \$25.00 TRACS certificates that can be used for future trial entries. Also, many of our Northern California agility instructors will accept these certificates towards your agility lessons! No experience necessary. We will train!

DAILY RING WORKERS

We rely on the generosity of agility enthusiasts to pitch in and help keep the trial running smoothly and efficiently.

For those of you who are new to agility, we will train you and offer support as you learn about what it takes to put on a trial.

We will make sure your duties do not interfere with caring for and/or running your dogs!

Volunteer perks:

- For each class or division worked, you will receive raffle tickets for our awesome workers' appreciation raffle held each afternoon (some really nice prizes!)
- You will also receive TRACS Worker Bucks that are good towards future TRACS entries and with any vendor on site. Or you can save them up and turn them in at the end of your trial days and receive a voucher for the sum total. **You MUST turn in these tickets before you leave the site after the event. After May 29, 2023, the Worker Bucks have no value.**

Just sign up on the White Boards you will find at each ring. Then, if you find that you cannot make your assignment for whatever reason, just erase your name and notify the appropriate Ring Crew Chief.

NORTHERN CALIFORNIA REGIONAL WORLD TEAM QUALIFYING EVENT

NORTHERN CALIFORNIA REGIONAL WORLD TEAM QUALIFYING EVENT
&
THE RED POPPY INTERNATIONAL SWEEPSTAKES CLASSES (ISC) CUP
ENTRY INFORMATION

Purpose: The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the “Challenge of the Day” when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility:

- ISC classes are open to all dogs that are eligible to compete in AKC agility trials.
- There is no Preferred Option for ISC: dogs may enter at their preferred jump height; however, they will be scored against the regular division dogs jumping their regular height. For example: 16” preferred dogs will be scored against 20” regular division dogs.
- Eligible dogs may be entered in any level of ISC (this event is limited to Level 2 and 3). At present, there are no eligibility requirements for any level of ISC and any dog that is eligible according to the information in this premium list may run any level. Day of show level changes are not allowed.

- To be eligible for the Combined ISC Class Award, a team must have a minimum of one clean run and a run that has a maximum of 5 course faults (no time faults allowed) for those scores to be used to compute the Combined Score.
- If the winning dog in any given jump height does not meet the FCI jump heights, the award DOES NOT go to the first eligible dog.
- If no FCI-eligible dog meets the requirements for Combined Class Award, the Bye award is not given, however the TRACS-sponsored High Combined and Cash Award will be awarded.
- The Combined Class winners that meet the FCI jump height cut offs from the 12", 16", 20", and 24-inch height are invited to attend the 2024 AKC World Team Tryouts. No other performance requirements need to be met.
