AKC Rules and Regulations

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at https://www.akc.org/rules/

Awards

- Placement ribbons for 1-3 place will be provided for individual runs
- There will be awards (value approx. $10) and ribbons for the top combined score in each height from the level 1 runs
- There will be awards (value approx. $10) and ribbons for the top 3 scoring dogs in each height from the level 2 and 3 runs

For Exhibition Only (FEO)

● FEO allows exhibitors to work with their dogs in a trial environment.
● FEO is available in all classes.
● Participation in FEO is non-qualifying.
● FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare FEO through the Agility Gate app the day of the trial.
● Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day-of show jump height changes are not allowed.
● The exhibitor must declare FEO in the ring to the judge and the scribe **prior to leading out.**

Fix and Go On (FNG)

● Fix and Go On (FNG) is not pre-entered; rather, it occurs during the course of the run. ● FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.
● This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.
● FNG will result in a non-qualifying score.
● Exhibitors are not to signal they are using FNG – the judge will signal the scribe appropriately.

Bitches in Season (BIS)

BIS will be permitted to compete at this event. Handlers with bitches in season are requested to indicate this on the run order prior to their run and take appropriate precautions to minimize disruption

Jump Heights

Dogs may be entered in their regular or preferred jump heights; however, only those dogs running in the 12," 16," 20" and 24" class that meet the FCI/ISC measuring cutoffs (different than regular AKC cutoffs) may use their clean run toward the required qualifications for WTT or EOTT. Please see the 2027 EO/AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:
● **Small** (12" jump height) – for dogs measuring 13 ¾" or less at the withers.
● **Medium** (16" jump height) – for dogs measuring more than 13 ¾" and up to 16 ⅞" at the withers.
● **Intermediate** (20" jump height) – for dogs measuring more than 16 ⅞" but less than 18 ⅞" at the withers.
● **Large** (24" jump height) – for dogs measuring over 18 ⅞" at the withers.

Qualifications

“Clean run” scores from ISC Classes at official FCI jump heights, 12",f 16", 20”, and 24," may be used to fulfill the qualification requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

Course Walk Through / Warm Up Area

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of a class. The walk through is restricted to handlers entered in the class. A warm-up jump will be provided.

Agility Trial Site Directions

- From the Bay Area via I-80 East: Take I-80 East towards Sacramento. Exit I-80 onto CA-113 North (just past Dixon) towards Woodland for 8.7 miles. Take Exit 34, Road 25A. Follow Rd 25A for approximately .45 miles and turn right onto East Street. Follow East Street for 1.88 miles and turn right onto East Gum Ave. The fairgrounds will be on your right.
- From I-5 North/SR-99 North: If you come up 99, you will merge onto I-5 north just past Sacramento (goes past the Sacramento International Airport). Follow I-5 north to Ex 537, CA 113S / Woodland. Turn left off the exit ramp onto East Main Street. Follow East Main for approximately 1.1 miles, then turn left on East Street. In .6 miles, turn left onto East Gum Ave. Fairgrounds Entrance will be on your right.

Overnight Parking

- Must be reserved in advance and must be done separately from your entry (goes to a different person). The link to sign up for overnight parking is posted on the TRACS website.
- COST: $37.00 per night for anyone not sleeping in a tent (includes van/autos as well as RVs/Trailers). For Tents: $17/night (no power/water)
- ONLY KEYWORKER RVs will have pre-assigned spaces. All other RV parking inside the Fairgrounds will be first come, first served. You must still send in a reservation
- The Club will issue Overnight Parking/Camping Permits that must be displayed while parked during the trial. If you arrive before The Club has had an opportunity to mark reserved RV spots, and you end up parked in a spot that has been reserved for a keyworker, you will be required to move. An RV site map will be included with the Judging schedule so you will have some idea of what power is available in which locations and where water may be available.
- There is an actual RV Park in the area between Gum Ave and the Chain Link gate (to your right as you drive in). You can contact them privately to reserve spots here but this is further away from the agility field and is separate from our event/overnight parking
- NOTE FOR DRY CAMPERS / Day Parking People: (whether you are in RV, Car, Van or Tent): Dry Campers and Day Parking folks may not park/camp in any spot that has a power hookup.

Volunteers

Trials cannot happen without the help of volunteers. If you have time to set a bar, run a leash, time, scribe or gate – even if it is only for ten dogs – it will help immensely. We will break up running into two halves per class so that workers in either half will have time to warm up their dog before they are set to

run in the next half.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Dogs listed in the **AKC Canine Partners Program**SM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as "All American Dog" and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club by calling (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, please specify the relationship of the Junior Handler to the Owner.
