Dear Two Rivers Agility Club of Sacramento Members,

The intention of this permit is for pre-scheduled/ calendared dog trails and for pre-scheduled/ calendared, organized group trainings. The permit does not allow individuals or groups of individuals to use the permit for informal, unscheduled dog trainings.

On all days of non scheduled events, you may use the parts of Mather Park that you have previously been given permission to you use, but without vehicle access. You must park outside the compound and/or outside the area west of Eagles Nest Road across from the golf course and walk in to use these areas.

Attached to this letter, you will find a special use permit clearly outlining the permitted activities. If an individual or group is found in violation of the special use permit he/she will be warned and may be cited.

The Friday before test weekends you will need to go to the Park Rangers office at 4040 Bradshaw Road to be issued a key. On weekends when you have the key, please do not leave the gate unlocked and unattended or you will lose your privilege. You must return the key on Sunday after the test or the next day, which is Monday.

Gene W. Andal Park and Habitat Preserve (a portion of the park is protected) may be another option when holding pre-scheduled/ calendared dog trials and trainings, but the same rules apply in that informal unscheduled/ calendared trails and training are not allowed. If your group is interested please call me.

We appreciate your compliance and hope that this letter and attached permit clarify our intentions. If you have any questions, please call.

Please share this information with the rest of your club.

Sincerely,

Amber Veselka
